

English

Fiction-we will be begin the half-term by using the classic picture book 'Owl Babies' to retell and write stories in the present tense. We will then be learning about adjectives as we write setting descriptions. After this, we will use 'Arabian Nights' to help us write character descriptions and recounts.

SPAG- During these lessons we will be ensuring that capital letters are being used consistently and correctly. We will also learn how to punctuate sentences with finger spaces and full stops.

Whole- Class Reading- This half term we will be developing our reading skills whilst reading the traditional tale 'Arabian Nights'.

Science The Human Body

Children will:

- Know that our bodies including our muscles and bones, need exercise to stay healthy.
- Know that our digestive system takes nutrients from food to help us stay healthy.

Maths

Place Value:

- Sort, count and represent number and objects.
- Count, read and write numbers forwards and backwards.
- Count one more and one less.
- Represent numbers as tens and ones.
- Compare groups and numbers.
- Order numbers.

Addition and Subtraction:

- Numbers within 20 including money.
- Numbers within 100 including money.

Times tables

Year 1 and Year 2 counting in 2s, 5s and 10s.

Year 2: 0x and 1x.

Year group differentiation

This topic map has been designed around the learning objectives for both year 1 and year 2. Our learning in class will be differentiated based on year group and ability to ensure progress for all pupils.

Year 1 objectives.
Year 2 objectives.

PSHE Rights, rules and responsibility

Children will learn about their rights and responsibilities within school and at home. They will discuss the school rules and be able to give opinions on whether they agree with them.

Physical Education Ball Skills

Children will learn how to:

- Pass and receive a ball under pressure.
- Understand and develop attacking and defending rules.

Music Ostinato II

Children will:

- Understand that a rhythmic ostinato is a short rhythm which is repeated throughout a piece.
- Be able to recognise and keep a steady, accelerating and decelerating beat/ rhythm (accelerando/rallentando).
- Know the beat/ pulse of a piece of music can be split into regular groups of 2s, 3s or 4s.

Computing

- We will be learning about a range of multimedia and word processors to present our work.
- We will be learning about privacy and security.

Jupiter Autumn 1 Value: Thankfulness

Religious Education What is a Human Being?

- The Bible is a key source of authority for Christians.
- The book of Genesis contains a story about why the world exists and what human beings are.
- Many Christians believe that humans are made in the image of God.
- Many Christians believe that humans have a special place and responsibility in the world.

Geography Spatial Sense

Children will:

- Know that maps show us information about a location.
- Recognise and locate human and physical features.
- Use maps to plan a route.
- Identify locations on a globe or world map.

Visit or visitor

This will happen next half term.

Art Colour and Shape

We will be learning about the artwork; Kandinsky's Squares with Concentric Circles, Delaunay's Electric Prisms and Monet's The Beach at Trouville. We will be learning about colour-mixing and brushwork skills. We will use natural objects to make different shapes inspired by the works of Picasso and the mobile- like sculptures of Calder.
