

Home Learning Tasks (Mars) Autumn 2026

This term in Year 6, homework will be sent home on a Monday and will need to be back in school by the following Friday.

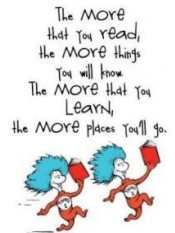

Homework tasks will continue to include:

- Comprehension
- Punctuation/grammar
- Times table/calculation
- Maths task (linked to learning in class)

The class will be made fully aware of the importance of bringing back their homework by this deadline. Please encourage your child to complete their homework by the Friday. The homework expectation is to ensure that everyone is all set and 'secondary ready' when the time arrives for them to start at High School.

Reading

Developing our fluency and stamina for reading is really important, to ensure that we can access an age appropriate level of text to support our learning (in all subjects) in Year 6. Please ensure that your child is engaging in some form of reading they enjoy daily. It is expected that they read at least ten pages five days a week. Reading records need to be in daily and they will be checked regularly.

Spellings

We will be looking at spellings in class every week, alongside learning new vocabulary. Spellings will be sent home at the start of the term and will be tested on Friday. We will also be looking at the words from the Year 5/6-word list. You will be able to find list of words on the following page. I will be encouraging the class to test each other and then try to use them in their independent writing in school.

Times Tables

All children will need to practice their timetables weekly. This is really important as by knowing our multiplication and division facts it will reduce our cognitive load. Quick and automatic recall of all multiplication facts to 12×12 is an end of Year 4 expectation so as a class, we need to continue with this to ensure that we are on track to reach our true potential in all areas of our mathematical learning in Year 6. Timestable Rockstars will also be checked on a Thursday to ensure children are getting weekly practice in.

Additionally, you will find below the 100 words that children at the end of Y6 are expected to spell. Some of these spellings have come home as part of our weekly spelling already. Any time that can be spent going through the words at home would be fantastic.
