All Together, All Saints!

What a fantastic half term it has been! We've had so many highlights to celebrate, from our first ever Rock Up and Read session and our first cross country race to a brilliant Harvest Festival. Our pupils have also led some wonderful lunchtime clubs, including a mindfulness club run by our Year 4 pupils, which staff were lucky enough to join in with too! Thank you all for making this such a successful half term. We hope everyone has a lovely, restful half-term break, and we look forward to seeing you all back at school on **Tuesday 3rd November.** 🍂

Keeping Our Children Safe Online

We want to share the joy of school life with our whole community, while always putting our children's safety first. That's why we're making a few changes to the photos we share online.

On social media

We are changing the angle of the photos we publish, focusing more on side views and shots of activities rather than children's faces.

On our class blogs

Our class blogs are going to be password protected, and each parent will have their a login.

Why we're doing this

These steps help us protect our children while still letting images showing faces and special moments be safely shared and celebrated within our school community.

Thank you all for your understanding and continued support as we keep our children safe together. 🧡

Class 2 Spiral Art!

What a wonderful display of creativity from Class 2! The children have filled their spiral artwork with bold colours and wonderful imagination, using their pastels and chalk to create patterns that swirl and dance across the page. Every piece shows real care and personality, and we are so proud of the imagination each child has brought to their work!

☀️ Class 1: A Brilliant First Half Term!

What a fantastic week we have had in Class 1! We have been continuing our 'People Who Help Us' topic, and we even set up our very own car wash! 🚗

Reception also enjoyed a 'shapes in the environment' hunt during our Maths lesson, and they are doing amazingly at spotting shapes in the things around them. 💎

What an amazing first half term we have had in Class 1!

A Big Thank You to Our PTFA!

A huge thank you to our PTFA, who organised and ran a very successful Autumn Disco this week. The children (and the adults!) had lots of fun dancing, laughing and joining in with the celebrations. 😊

Events like this don't happen without a lot of hard work behind the scenes, so we are truly grateful for all of your time, effort and enthusiasm.

📝 Thank you for all that you do for our school community! 💛

Important Term Dates

Please note these key dates in your diary to help with planning ahead. All dates are subject to change, so please check the website regularly or contact the office for the latest updates.

Every Day Counts 🎒

Regular attendance truly helps children thrive — academically, socially, and emotionally. It's not just about being present; it's about giving every child the best possible start each and every day.

Learning

Missed lessons can leave gaps in understanding, particularly in building-block subjects like phonics, reading and maths. It can take time to catch up, and regular attendance helps children keep pace with their classmates.

Friendships

Regular time together builds friendships and a sense of belonging. Children who are often away can sometimes feel left out, so being in school each day helps them stay connected with their peers.

Confidence & Wellbeing

Children who miss school can feel anxious about returning or catching up. A regular routine helps them feel secure, settled and ready to take on each day with confidence.

Routines & Habits

Good attendance builds habits and routines that support children throughout their time at school and beyond, helping them learn to manage their time and commitments with growing independence.

If there are any worries making attendance difficult, please talk to us. We are here to help, and we are happy to work together to find the best way forward for your child.

A Prayer for Cosy Evenings 🌙

“

"Dear God,

Thank You for the dark, cosy evenings and the warm comfort of home.

Thank You for soft blankets, bedtime stories, and family close by, and for the twinkling stars in the night sky.

Please give everyone peaceful rest and sweet dreams, and help us care for those who do not have a warm home.

Amen."

”

Wishing everyone warm, cosy evenings this half term. 🌙✨
