All Together, All Saints!

What a wonderful two weeks it has been at All Saints! We have enjoyed our first Rock Up and Read session of the year — and what a joy it was! Families joined us in the classroom to share stories, snuggle up with a good book, and read alongside their children. The smiles in the room said it all!

We have also been overwhelmed by the incredible kindness and generosity of our All Saints community. Your harvest donations for the local food bank are very much appreciated. Every tin, packet, and jar will make a real difference to families in our local area. You are an amazing community!

And the excitement does not stop there — this week, our children will be stepping into church to share their songs, readings, poems, and prayers as part of our Harvest Service. They have been working so hard to prepare, and we know they are going to be absolutely brilliant. We are incredibly proud of each and every one of them.

What a wonderful first session — thank you to everyone who joined us!

1 2 3 4 Class 1 Maths Stars!

What a fantastic week of maths in Class 1! The children have thrown themselves into their learning with such enthusiasm and curiosity — exploring numbers, shapes, and ideas through hands-on, playful activities that made maths come alive. It has been an absolute joy to watch them investigate, discover, and grow in confidence. We are so proud of every single one of them!

Nursery & Reception Places Available

We currently have places available in both our **Nursery** and **Reception** classes. If you know a family who might be looking for a warm, welcoming school for their little one, please do share this with them — we would love to welcome new children into our community. Interested families are encouraged to contact the school office to find out more.

☀️ Our School Values

Our wonderful children live out our school values every single day — and it truly shows! One of our amazing **head pupils** has put together a brilliant piece of work explaining what each value looks like here in school. We are so incredibly proud of this thoughtful and heartfelt writing, and our staff have been using it to share our values with children right across the school. 🧡

<u>Community</u> We look after each other like when someone falls over we stop the game and make sure they are ok.	<u>Joy</u> we are happy and when we fall out we fix it and make sure we are friends again.	<u>Hope</u> Hope is like when we play together and have fun with each other make each other laugh.
<u>Peace</u> Peace is when we are all together and all getting along and not falling out.	<u>Dignity</u> The quality of being worthy of honor, respect, and self regard.	<u>Wisdom</u> The ability to use your knowledge, experience and good judgement to make sensible decisions and understand what is important.

A Harvest Prayer 🌾

“

"Dear God,

Thank You for the wonder of harvest time — for fields full of goodness, for fruit and grain, for vegetables grown from the earth, and for the miracle of seeds becoming food.

We are grateful for every meal on our tables, and for all the farmers, growers, bakers, and helpers whose hard work feeds so many people each day.

As we celebrate the gifts of this season, help us to remember those who are hungry or in need — and give us generous hearts to share what we have with others.

Bless our school, our families, and our community — may we grow together in kindness and in gratitude.

Teach us to care for the world You have made, and to give thanks not just today, but every day, for the goodness You provide.

Amen."

”

Together, like a harvest gathered in, we are richer when we share and grow alongside one another. 🌾☀️
