What a week!

Thank you to everyone for your time and engagement during what has been an incredibly busy first week back—from our wonderful STEM morning and Mothering Sunday assembly to the excitement of our Boccia competition. We have so much to look forward to this half-term, including Easter bonnets, the Egg scene competition, and World Book Day!

Inspiring Futures: Our STEM Morning Success!

We extend our heartfelt gratitude to all the parents, guardians, and volunteers who joined us for our incredibly engaging STEM (Science, Technology, Engineering, and Mathematics) morning. It was truly wonderful to see so many families actively participating alongside our pupils, fostering a vibrant atmosphere of discovery and learning.

Throughout the morning, children were immersed in a range of hands-on activities, from building nests, watching milk move, making paper aeroplanes and filtering water. The collaborative spirit and sheer enthusiasm displayed by everyone were truly infectious, highlighting the importance of practical, inquiry-based learning in developing critical thinking and problem-solving skills. Such events are vital in sparking curiosity and inspiring the next generation of innovators and scientists. Thank you for making it such a memorable and impactful experience for our young learners!

Boccia Heat Winners!

Hold onto your hats, because we have some fantastic news to share from the world of sports! This week, our incredible KS1 and Y3/4 Boccia teams took part in a highly anticipated competition at the trust hub. Boccia, a precision ball sport similar to bocce or pétanque, requires skill, strategy, and teamwork, and our pupils demonstrated all of this in abundance.

We are absolutely thrilled to announce that both of our teams emerged as the proud winners of their respective heats! They represented All Saints Primary School with exceptional talent and spirit. Well done to all our young athletes – you've made us incredibly proud!

A Prayer for Those Who Care for Us

“

"Dear Lord,

We thank You for the people who walk beside us, for parents, teachers, family members, and every kind soul who offers their heart to care for others. We see Your love reflected in their patience, their gentle guidance, and the sacrifices they make to nurture us.

May the warmth of their kindness fill our lives with gratitude, reminding us of the light they bring into the world. Inspire us to honor them with our own love, and to cherish the goodness they share, just as they have so faithfully tended to our needs.

Amen."

”

Together, we give thanks for the love that surrounds and sustains us.
