Attendance & Punctuality Matter

Regular attendance and punctuality are essential for your child's success and wellbeing at school. Every day counts, and every lesson matters. When children arrive on time and attend regularly, they:

- Don't miss out on vital learning, especially key introductions to lessons
- Maintain friendships and feel part of the school community
- Develop excellent habits that will benefit them throughout life
- Achieve better academic results and reach their full potential

Our school day starts promptly - Class 1 at 8:45am and the rest of the school at 8:50am. Arriving just 5 minutes late each day adds up to over 3 days of lost learning time across the year!

We understand that illness happens, but please help us by:

- Only keeping children home when genuinely unwell
- Scheduling appointments outside school hours wherever possible
- Contacting the office on the first day of any absence

Together, we can ensure every child has the best possible chance to thrive. Thank you for your continued support in making attendance a priority.
