

Quality of Education: Curriculum and Standards

Advance Oracy Framework

Assess implementation, embed a coherent oracy spine, and establish robust assessment methods across all curriculum areas.

Refine Handwriting Pedagogy

Conduct a comprehensive review to ensure consistency, elevate standards, and promote effective, evidence-based instruction.

Integrate Artificial Intelligence

Develop staff expertise in the effective and ethical application of AI, supported by a clear and robust policy framework.

Christian Distinctiveness

Deepen Spirituality

Cultivate a rich spiritual environment where our entire community can confidently explore and articulate the meaning of spirituality.

Leadership and Governance

Strengthen Monitoring
Embed a systematic approach to monitoring curriculum and standards at both LGC and Director levels.

Enhance Ofsted Proficiency
Foster a culture of rigorous, insightful self-evaluation that proactively drives school improvement.

Operations, Infrastructure & Financial Sustainability A streamlined approach to building a resilient and efficient operational core, ensuring long-term stability and strategic growth for our trust.

Optimise Central Operations

Align central team capacity with strategic needs and streamline systems for maximum efficiency.

Secure Financial Stability

Align financial planning with strategic priorities and act decisively on three-year budget forecasts.

Align Estates Management

Ensure full compliance and adoption of best practices in line with the latest DfE standards.

Enhance Organisational Resilience

Strengthen business continuity and risk management protocols through comprehensive reviews.

Maximise MIS Effectiveness

Advance proficiency in Arbor to support operational and educational excellence.

The Staffordshire Schools MAT - Trust Development overview.

A visual guide to our commitment to excellence, innovation, and wellbeing across the trust. This infographic outlines our core objectives designed to drive improvement and ensure sustainability.

Workforce and Wellbeing

- Implement Revised Appraisal Policy
