

Home Learning – Year 5/6 Autumn Term 1 2024

- You **must complete all of the core activities** below (Mathematics, Writing and Reading)
- Select a **minimum of three** topic activities to complete. You can choose which activities you find the most interesting or choose your own idea - Be imaginative!
- If you do an activity which cannot be recorded into the book or stuck in, make sure you ask an adult to take photographs of what you did. Work can be returned to school in the book or via email: headteacher@allsaints-ranton.
- Please hand homework in by: Friday 25th October**

Mathematics

The following maths facts are key for Y5/6. Learn the following facts:

10mm = 1cm
 100cm = 1m
 1000m = 1km
 1000g = 1kg
 1000ml = 1l

Can you work out fractions of the above? 1/2 metre in cm?

English - Writing

Pupils will be given spellings every week based on the spelling pattern they have been learning about in school. The spellings they will need to learn for weekly tests will be sent home each **Friday**, along with a set assignment on Spelling Shed. **Spelling tests will take place each Friday.** Dojos are given out on for full marks and for using Spelling Shed.

There are also **statutory spellings for Year 5/6** that do not follow specific rules. We will work on these in school, but if they could practise them at home too, that would be fantastic! Please find them attached.

English - Reading

All pupils should be reading at least 3 times every week to an adult. This is essential for fluency and expression. They should also be reading regularly t home independently. **Please ensure you record any reading they do with you (this does not have to be their reading book) in their reading diaries.**

Reading books and diaries should be in school every day. Read 3x a week to earn two Dojos.

Science
Electricity

- Research the person who invented the lightbulb and write a fact file on him.
- Find the different ways in which electricity is generated.
- Make a poster or leaflet about how to save electricity.
- Write a persuasive letter to encourage people to switch to electric cars.

Parent Comments

History
The Ancient Egyptians

Research and find interesting landmarks in Egypt on a map.

Make a net for a pyramid or build a 3D pyramid out of construction materials or junk modelling.

Draw a map of Pharaoh's tomb. Write a set on instructions on how to safely get through, avoiding any traps! Think about directional language.

Create a painting or drawing of an ancient Egyptian scene using your choice of materials.

Design a piece of Egyptian jewellery.

Write a fact file on a pharaoh.

Year 5/6

French
Sports and The Olympics

Complete the enclosed sheets about sports. Try to say the sentences aloud wherever possible!

Art
Still Life

Find out more about artists famous for their still life compositions. These might be traditional or contemporary. Produce a fact file to present all you have discovered.

Have a go at producing some still life pieces of your own! You might like to sketch/paint/collage a display of flowers or fruits that you have created. Remember the key to this is observation—look closely at what you actually see in front of you.

SEASONAL
AUTUMN THEME

Can you create a collage to represent Autumn ?

Could you take photographs/ draw pictures/use fallen materials to show how the world changes from Summer to Autumn?
