

Maths

In line with White Rose maths scheme. The children will do a variety of mental maths, fluency, problem solving and reasoning activities. Interactive maths games for each topic can be found on the class page of our website.

Main topics taught this term will be:

- length and height
- Money
- Fractions
- Time
- Mass, capacity and temperature

Music

Planned and taught by Mrs Dingle following different themes and progression of skills each term

*Summer Term 2025
Class 2*

PE

Wednesdays—
Swimming

Thursdays—Striking
and Fielding /
Athletics

Literacy

Through our literacy sessions, we will focus on the key skills for reading and writing, appropriate to their individual needs. To do this, we will be focusing on a variety of texts as our stimulus and include different writing genres.

Some of the texts we will be covering are:

- *George and the Dragon* Chris Wormell
- *The story of Robin hood*
- *Legends of King Arthur*

Different non-fiction writing opportunities will be provided through our texts and humanities topic.

PSHE / SRE

Summer 1: Citizenship

Summer 2: Economic well
-being

Science

Summer 1- Living things and their habitats

Summer 2— Plants

Computing

Y1/2 Summer 1: Programming animations

Y1/2 Summer 2: Programming quizzes

Y3 Summer 1: Sequencing sounds

Y3 Summer 2: Events and actions

ART

Cloth, Thread and Paint: The children will explore how artists combine media to create work in response to landscape. They will use paint and thread to make a painted and stitched piece.

DT

Photograph frames (Structure) : We will explore how to make a free-standing object stable and sturdy, before designing and making our own photograph frame.

History

In history this term we shall be learning about castles with a special focus on Stafford Castle. We shall be learning about the history of Stafford castle, who built it and lived there. We shall also be finding out about the defensive features of a castle.

RE

Summer 1: People of God: When Jesus left, what was the impact of the Pentecost?

Summer 2: Is life like a journey?

Geography

Our geography unit of work is all about farming. We shall be learning about arable, livestock and dairy farms and the difference between them. We will also be learning about the features of a farm and use a map to navigate around a farm, as well as thinking about the differences between life in the country and life in a busy town.
