1	Balance: Help restore your schools work life balance, and save your teachers precious time	Angels Solutions	Balance is a new and exciting tool that replaces your traditional tracker and puts assessment back at the heart of teaching and learning. We are a true life after levels system that doesn't focus on steps, bands or points and instead focuses on exactly what you teach – personalising the curriculum and your assessments to reflect what goes on in the classroom. Built on cutting edge research and sound pedagogy, Balance gives a clear and simple structure for teachers to reduce marking and allow for effective feedback.	
2	Perspective: A School Leadership Toolkit to streamline and centralise your processes, including performance management, observations, SEF and much more...	Angel Solutions	Perspective is an online school improvement system with a difference. It centralises and streamlines your leadership and management processes from your SEF, Observations and Performance Management, whilst giving you access to some really exciting tools such as 'Watchsted' inspector profiles and so much more. Ultimately, integrating all key areas makes life easier, quicker and more flexible for you and your staff, whilst bringing you real-time visibility of your school performance	
3	Enabling Enterprise (Skills Builder Partnership)	Enabling enterprise – Claire Bailey	Learn about how your school can get involved in Enabling enterprises mission to ensure that all young people have the skills, experiences and aspirations to succeed and their exciting membership offer for ALPSIT schools. As qualified teachers Enabling Enterprise work with schools, skills building organisations and businesses to support pupils in learning the essential skills they will need in the real world of work.	
4	Creative Learning at the Liverpool Empire Theatre	The Liverpool Empire	Learn about how your school could get involved with the Creative Learning and Community Partnership department in the Liverpool Empire Theatres who offer a high-quality programme of cultural education-locally driven with national significance.	

5	The School Bus: Time to think – Tools to Act.	The School Bus – James Outram	Learn how you could take advantage of the great offer school bus have made for ALPSIT and how they support over 20,000 school leaders with legislative requirements, admin headaches and compliance responsibilities, by providing actionable advice alongside all the necessary model documents.	
6	The National Professional Qualifications for School Leadership (NPQs) – A school-led partner delivery model	Best Practice/ Outstanding Leaders Network	Led by Yvonne Gandy -NPQ Programmes Director for the Outstanding Leaders Partnership you can learn about the various NPQ programmes and how your school / staff can get involved and how best practice are working in partnership with ALPSIT and ALSSIT to deliver a Catholic hub across the Archdiocese	
7	Power Maths	Pearson's	Find out in a whistle top show and tell what the power maths programme looks like and how it could impact the way you teach maths in your school. This session Includes an opportunity to see their Textbooks, workbooks and online learning platform.	
8	Bug club	Pearson's	Find out in a whistle top show and tell what the Bug club guided, and independent reading programme looks like. This session Includes an opportunity to see their reading books, assessment papers and online reading tools.	
9	Arbor Education Reports	Andy Fairbrother - Arbor Education	Find out more about the 30% saving you can make as a member of ALPSIT and the way Arbor helps schools and Trusts redefine how they work, to save teachers time and improve student outcomes. Learn how you can improve insight, streamline your systems, and automate repetitive tasks to reduce staff workloads.	
10	Talent Management Tool	Tim Warren	For anyone who has missed the opportunity to hear about the work we are doing around Talent management Tim is going to do a quick overview of the tool and the way you could use it in your school and get involved across the Trust	
School Led Sessions				

11	Accelerated Progress in Early Years	St Gerard's Catholic Primary School – Halton	Learn about the impact of early years provision at our school with emphasis given to making accelerated progress for children from the most disadvantaged backgrounds.	
12	Wave 3 KS1 Reading and Writing Intervention	St Oswald's Catholic Primary School – Wigan	Learn about our school's experience using a daily, structured, intensive intervention for KS1 pupils that diminishes the gap in reading and writing. Practical, fun and child-centred learning that delivers	
13	Teaching Science through a skill-based curriculum.	St Mary Magdalen Catholic Primary School Penwortham – Lancashire	Learn about how we have focused our attention upon engaging all pupils within science. We have reconsidered the way that we teach and assess science and have put great emphasis upon explicitly teaching the working scientifically skills enabling our pupils to have lots of opportunities to work as scientists in a purposeful way, allowing them to master skills and enabling teachers to make accurate assessments.	
14	Raising aspiration, self-belief and optimism for our pupils and parents.	St Francis de Sales Catholic Junior School – Liverpool	Learn about our schools' approach to raising aspiration levels for our children in an area of high deprivation.	
15	Immersive Learning through REAL Projects	St Teresa of Lisieux Catholic Primary School – Liverpool	Learn about our school's journey using an approach to designing learning that connects deep subject understanding (built around the national curriculum) with real world application.	
16	Using "Pre-teach" to accelerate progress across the whole school	St John fisher Catholic Primary School – Knowsley Village	Learn about the way our school has introduced a 'Pre-teach' session in school every week for all pupils Y1-Y6. This is time for a small group of children to work with a teacher to learn the key skills they will need to access the learning in class in the day/ week ahead.	
17	Personalised Learning	St Bedes Catholic Infant School – Halton	Learn about our schools' journey in developing and using personalised learning records across the school.	
18	Accelerated Progress in Maths	Sacred Heart Catholic Primary	We will be sharing our experiences of being part of the Maths Hub and Mastery School Programme over the past two years and the strategies and practices we have adopted from EYFS up to KS2 which have resulted in us being in the top 10% of schools for Maths at KS2.	

		school – Warrington	Amongst other things, we will be discussing pre and post learning, morning maths, concrete / pictorial and abstract approach, Maths Working Walls, higher level questioning, Maths of the day, and supporting learning at home.	
19	Developing a culture of positivity to improve standards	St John Fisher catholic Primary School – Widnes Halton	Learn about Our schools' journey and the initiatives we use to create a positive ethos to ensure sharing a vision and empowering staff impacts on whole school improvement.	
20	Bringing learning to life using Themed Weeks	St Josephs Catholic Primary School – Warrington	Learn about our Annual (and sometimes biannual) Themed Weeks to enliven the curriculum and engage the wider community. Examples thus far have included A Superhero week, A Mysterious egg / Dinosaur week, an alien abduction week and our upcoming WW1 themed week for October 2018. The theme enables children and teachers to work collaboratively in a cross-curricular manner, to enhance a broad and balance curriculum.	
21	Reducing Teacher Workload	St. Aidan's Catholic Primary School and the WOWS - Wigan Consortium	Learn about our school's partnership with local schools as part of a research project: 'Eliminating Unnecessary Workload around Marking'	
22	Maths No problem	Sacred Heart (Wigan)	Learn about our schools' approach to implementing Singapore Maths No Problem and our journey as we are now beginning our fourth year of implementation. Results we have seen are an increase in pupil attainment and accelerated rates of progress.	
23	Developing the role of subject leaders to increase their impact on whole school improvement	St Teresa's Catholic Primary School – UpHolland Lancashire	Learn about our schools' journey over the past three years to develop structures, schedules and support that have helped to develop all staff into leaders that effectively support, champion and challenge their subject area.	
24	Read, Write, Think. An approach to improve	Great Crosby Catholic Primary School – Sefton	Learn about the approach our school took to improving handwriting and spelling across the whole school.	

	handwriting and spelling.			
25	Bringing Our Catholic Mission to life	St Monica's Catholic Primary school –Sefton	Learn more about how at the start of each new academic year we lead our whole school mission days to support our staff and pupils to understand and focus on the Catholic mission we all belong to.	
26	PEEPs Learning Together Study	St Marys (Blackbrook) Catholic Primary school - St Helens	PEEPs is a 20 week family learning programme for nursery aged children.
