

8th May 2026

Dear Parents and Carers,

I am writing to share some important updates and to thank you for your continued support of our school and wider community.

Year 11 and Year 13 Examinations

Our Year 11 and Year 13 students have made an excellent start to the examination season. Thanks to a comprehensive programme of support - including in-school interventions, pre-exam booster sessions and Period 6 masterclasses, students are well prepared and demonstrating real commitment. Their behaviour, ambition, and work ethic have been outstanding. Thank you for the vital role you continue to play in supporting them during this important time.

All our exams timetables can be found on our website on the links below:

Year 11 Final Exam Schedule: [Exam & Revision Support | Alsom High School](#)

Year 13 Final Exam Schedule: [Year 13 Final Exam Timetable | Alsom High School](#)

Attendance and Punctuality

Good attendance and punctuality are essential in improving students' life chances. Every lesson matters, and lost learning time can have a significant impact on progress and outcomes. Students with the highest levels of attendance are consistently the ones most likely to achieve the strongest GCSE and A Level results. Their commitment to attending school every day, arriving on time and making the most of every learning opportunity is reflected in their success.

We ask for your continued support in ensuring your child attends school every day, arrives on time, and is ready to learn. Together, we can give every student the best possible chance to succeed.

Supporting Our Local Community

We are proud to be part of our local community and are committed to ensuring our students represent the school positively at all times. To support this, we are asking for your help in reinforcing the importance of respectful behaviour beyond the school gates.

We have received some concerns from local residents regarding students congregating in the area before and after school, littering and not always showing respect for personal property. While we will continue to address these matters in school through assemblies and ongoing guidance, your support is vital in reinforcing these expectations at home.

We would be grateful if you could speak with your child about the importance of treating our local residents, their property, and the wider community with respect. By working together, we can ensure our students continue to be positive ambassadors for the school.

Alsop High School

Enrichment Opportunities

It has been fantastic to see so many students engaging in enrichment opportunities. This week, our Year 9 students visited Liverpool John Moores University, with Year 10 set to visit next week. These experiences are designed to raise aspirations, provide insight into university life and support students in considering their future pathways.

Further details regarding end-of-year trips and our rewards week will be shared with you in the coming weeks.

Key Dates

- May & June Year 11 & 13 final exams
- 15th June – 26th June Year 7, 8, 9, 10 & 12 Assessments
- Wednesday 1st July New Intake Transition Day
