

24th April 2026

Dear Parents and Carers,

As we begin an extremely important summer term, I want to reflect on and celebrate the progress we are making together as a school community.

We recently shared our Ofsted booklet with you, highlighting some of the key messages from the inspection. Inspectors recognised strengths across the school, particularly the positive culture and the way our students respond to high expectations. It's important that we take time to acknowledge how far we have come over the past 12 months, while also being clear about the work that still lies ahead. The report identifies areas for improvement, which very much reflect our own honest view of the school. We have been open about what needs to improve and we remain fully committed to ensuring Alsop continues its journey towards becoming the school of choice for the families of Walton and beyond.

Year 11 and Year 13

With very few teaching days remaining before the start of GCSE, BTEC and A Level examinations, I want to say how proud we are of our senior students. They have made the most of the support available to them, including additional revision booster classes, Period 6 classes and Spring Break sessions. Their commitment has been excellent.

They understand that success comes from consistent hard work, both in school and at home and this is clear in their approach. As we move closer to the exam period, we will continue to build on this support with further sessions.

We are here to support every student every step of the way and we are confident that their hard work will pay off. Your encouragement at home, particularly around attendance and engagement, makes a real difference.

Learning Habits: Attendance and Punctuality

Thank you to all families for your continued support in ensuring strong attendance and punctuality. We know how closely attendance is linked to future success, and your role in this is vital.

It was also great to see so many parents and carers at our recent Year 7 Parents' Evening. When school and home work together, it has a real impact on students' academic, social and emotional development.

Wider School Life

It has been another busy and positive term beyond the classroom, with many opportunities for students to get involved in wider school life.

I would like to give a special mention to our Year 11 football team, who were narrowly beaten on penalties in the Merseyside Cup semi-final against Maricourt High School. We are incredibly proud of their achievement. They have represented the school with real commitment, teamwork and resilience

Alsom High School

throughout the competition. I know the memories they have made will stay with them for years to come and the friendships they have built will continue well beyond their time at Alsom.

We have also seen fantastic success from our Year 9 and 10 Flag Football squad, who were crowned Merseyside champions and have now progressed to the regional finals in Manchester! This is a brilliant achievement and reflects the dedication and effort of the students involved. We wish them the very best of luck in the next stage of the competition.

We are looking forward to a full programme of activities over the summer term, alongside key assessment points for students in Years 7–10. These assessments are an important opportunity for students to demonstrate what they have learned and to prepare for the next stage of their education. Further information will be shared with families in due course.

Key Dates

- Friday 1st May Start of Year 11 & 13 exams
- Wednesday 1st July New Intake Transition Day
- Wednesday 1st July New Intake Parent Information Evening
- Friday 3rd July Year 11 Prom
- Tuesday 7th July Sports Awards Evening
- Thursday 9th July Performing Arts Summer Showcase
- Friday 17th July End of term (students finish at 12:30pm)

Thank you for your ongoing support as we continue to drive forward our school improvement work.

Yours sincerely,

Mr Mee
Head of School
