Dear Parents and Carers,

Re: Year 10 Pre-Public Examinations – June 2026

I am writing to inform you that your child's end-of-year Pre-Public Examinations (PPEs) will take place between **Monday 15th June and Tuesday 23rd June 2026**. Please find the draft examination timetable enclosed below for your reference.

If your child does not have an examination they will attend their normal timetabled lessons.

In subjects where your child has submitted Component One controlled assessment work, they may not have an examination scheduled during this cycle.

These examinations are a vital part of your child's academic development and serve as valuable preparation for their final GCSE examinations in Year 11. The results from these PPEs will help identify both strengths and areas for improvement, allowing students and teachers to target their efforts effectively in the coming months. They will determine:

- The sets that your child is placed in at the start of Year 11,
- The Period 0 intervention classes that your child is placed in,
- In some subjects, decisions regarding the entry of tier for that examination.

We encourage all students to approach these examinations with seriousness and dedication, making full use of the revision materials and support available to them. Revision booklets will be sent home with students and are also available on the website at [Exam & Revision Support | Also High School](#)

Students should arrive at school punctually each day and attend their morning tutor time, where they will receive final instructions for the exams scheduled that day.

Any absent students will receive a phone call and potentially a home visit to escort them to the examination if no valid reason for absence is provided.

Students are expected to wear full school uniform each day, except on days when they have PE, in which case they may attend in full PE kit.

If you have any questions or require further information, please do not hesitate to contact us.

Thank you for your continued support.

Yours sincerely,

Mr A Hart
Assistant Principal
