

Alsop High School

13th February 2026

Dear Parents and Carers,

As your child is now in the final weeks leading up to the GCSE examination series, we are continuing to offer Year 11 students the opportunity to attend extra tuition and revision sessions over the February half term holiday (Monday 16th February to Thursday 19th February).

These sessions are designed to make the very best use of the remaining time before exams begin. They provide valuable opportunities for bespoke intervention with subject teachers and allow students to address any gaps in knowledge, strengthen key skills, and prepare confidently for their final push towards success.

Firstly, thank you to the students who have already signed up for sessions, we are pleased to see so many students taking advantage of this opportunity.

If your child has not yet signed up, please remind them to complete [this Microsoft Form as soon as possible](#) to confirm their attendance.

Mock examinations begin on the first day back after half term, so students should continue to use their countdown booklet to support their independent revision at home.

Important information for students attending:

- Students must sign in at Main Reception on Queens Drive on arrival and sign out again at Main Reception when leaving.
- Students must arrive on time for their session.
- Students must remain in their allocated classroom for the full session.
- Any disruption to the revision session or poor behaviour will result in students being asked to leave and make their own way home.
- As there are no catering facilities available in school during half term, students may leave the site between sessions and they can bring their own drinks, snacks, and lunch where necessary.
- Students are not required to wear school uniform.

Please see the timetable of sessions below.

Also High School

Day	Date	Time	Subject
Monday	16th February	9am-3pm	Photography
		9am -1pm	Music
Tuesday	17th February	9am-11:30am	English
		11am-1pm	Construction
		11am-1pm	Spanish
		1pm-3pm	Catering
		12pm -1:30pm	Science (11B2 & 11A2)
		1:30pm-3pm	Science (11A3 & 11B4)
