

Alsop High School

12th September 2025

Dear Parents and Carers,

Thank you for the high attendance and engagement with our Kickstart Mentoring appointments last week. It was fantastic to see so many of you supporting your child in what is a crucial final GCSE year for our students.

I am writing to share with you the Period 6 intervention timetable and to outline our expectations regarding attendance and engagement.

These additional sessions, which take place after the normal school day, are a vital part of our strategy to support students in achieving their full potential in their GCSE examinations. Each session is carefully planned by subject teachers to target key areas for improvement, consolidate learning and provide personalised support where needed.

Attendance at Period 6 sessions is vital for all students. We ask for your full support in ensuring your child attends these sessions regularly and punctually. The timetable has been designed to avoid clashes and to ensure that students receive balanced support across their subjects.

We know that with consistent effort, high-quality teaching and strong home-school collaboration, every student can make significant progress. These interventions are not just about improving grades, they are about building confidence, deepening understanding and preparing students for the next stage of their education or career. We will be going through the timetable with students in form time and assembly, so they understand how to use their timetable class codes to see which subjects to attend on which day.

Period 6 Timetable

Day/Week	Week A	Week B
Monday		
Tuesday	English Band A & Maths Band B	Option Block 1* (class code 1101)
Wednesday	Food & Construction	Option Block 2* (class code 1102)
Thursday	Option Block 3* (class code 1103)	Maths Band A & Science Band B
Friday	English Band B	Science Band A
*Not Food and construction, they are Wednesday Week A		

If you have any questions or concerns, or if your child has any barriers to attending, please do not hesitate to contact Mrs O'Leary by email at R.O'Leary@ahs.omegamat.co.uk.

We are here to work with you to ensure the best possible outcomes for your child.

Thank you for your continued support.

Yours sincerely,

A. Robinson
