

ALSOP HIGH SCHOOL

12th September 2022

Dear Parents and Carers,

It has been wonderful to welcome all our new year 11 students back to school as they begin the new academic year and the second and final year of their GCSE and BTEC courses.

I am writing to inform you that on **Thursday 15th September** we will be holding a Year 11 Parents Information Evening from 5:00 – 6:15pm. This event will provide both you and your child with an overview of key information for this academic year and the expectations and support planned for all our year 11 students.

The programme for the event is as follows:

- Introduction and welcome
- Pastoral Support during the year
- Information, academic support, and strategies from all subject areas
- Subject specific presentations from the English, Maths and Science faculties
- Sixth Form Information

In addition, our SEND team will be in attendance should you have any questions you would like to ask of those staff. Please note this is not a parents' evening and therefore individual time slots will not be available to book. If you have any specific concerns or queries, please contact the school to speak to the relevant member of staff. Students should only attend this event with their parents. Students do not have to wear their school uniform to attend the event. We do hope that you will be able to join us.

Following the challenges of the last few years it is imperative that we work together to support your son or daughter as they prepare to sit their examinations. Entrance to this event will be via the student entrance in Walton Village.

Yours sincerely

Mrs C Avison

Assistant Headteacher
