

Alsop High School

24th November 2025

Dear Parent / Carer,

Alsop High School Consultation regarding the closure of the Sixth Form provision.

The Interim Executive Committee (Board of Governors) of Alsop High School, supported by the Trustees of Omega Multi-Academy Trust, is commencing a formal consultation period on the proposed closure of its Sixth Form provision.

For the last 2 years, the school has subsidised the funding of the Sixth Form, in the hope that, as the school continued to improve, its Sixth Form numbers would rise to a sustainable level. Unfortunately, Sixth Form enrolment has continued to decline. The financial subsidy required to maintain the provision has now reached a level that is unsustainable.

The proposal is that Alsop High School will no longer admit students into Year 12 from September 2026. Students already on roll in the Sixth Form will be unaffected by this proposal and will continue to receive the same high standards of teaching, care and support until they complete their studies.

For students in Years 7–11, Liverpool and the surrounding areas are fortunate to have a wide range of high-quality post-16 options available. Each year, students at Alsop High School are given the opportunity to meet and hear from local sixth form colleges and training providers. This will continue to ensure that all students are fully informed of the options open to them when they complete their GCSE qualifications at the end of Year 11. We will be talking with all students in assemblies this week.

The formal consultation period provides all stakeholders with the opportunity to share their views on the proposal. The consultation will be open for from today, Monday 24th November and closes on Monday 5th January 2026.

Further details on the consultation, including the reasons behind the proposal and answers to frequently asked questions, can be found on our [school website here](#).

You, and other stakeholders, are invited to register feedback by completing the [online form](#) or by writing to the following address, by Monday 5th January 2026.

Consultation on Sixth Form
