Dear Parents/Carers,

Re: Pre-Public Examinations –Year 12- June 2025

I am writing to inform you that your child's Pre-Public Examinations (PPEs) will take place between **Monday 16th June and Friday 27th June 2025**. Please find the examination timetable enclosed below for your reference.

If your child does not have an examination during one of the lessons they will attend their normal timetabled lessons.

In subjects where your child has submitted Component One Controlled Assessment work, they may not have an examination scheduled during this PPE cycle.

These examinations are a vital part of your child's academic development and serve as valuable preparation for their final A Level/Level 3 BTEC examinations in Year 13. The results from these PPEs will help identify both strengths and areas that may need further attention, allowing students and teachers to target their efforts effectively in the final weeks of this academic year and ready for a strong and focused start to the next academic year.

We encourage all students to approach these examinations with seriousness and dedication, making full use of the revision materials and support available to them. Students should arrive at school punctually each day and attend their morning tutor time, where they will receive final instructions for the exams scheduled that day.

Any absent students will receive a phone call and potentially a home visit to escort them to the examination if no valid reason for absence is provided.

If you have any questions or require further information, please do not hesitate to contact us. Thank you for your continued support.

Yours sincerely,

N Bruns
