Dear Parent/Carer

I am excited to invite you and your Year 11 child to our Sixth Form Open Evening, an essential event for those considering their next steps in education. This important evening will be held on Thursday, 8th February, from 4:30 PM to 6:30 PM.

This Open Evening is an invaluable opportunity for you and your child to delve deeper into the wealth of options available at Alsop Sixth Form. It's a chance to:

- **Explore L3 Courses:** Gain comprehensive information about our Level 3 courses, offering insights into the curriculum and future prospects associated with each subject.
- **Meet the Staff:** Engage in conversations with our teaching staff. They will be on hand to answer any queries you or your child might have about the courses, teaching methods, and support available.
- **Hear from Experts:** There will be informative talks by Mr. Masher, members of our Sixth Form team, and one of our Student Captains. These talks will provide a broader understanding of the Sixth Form experience and what it entails.

For Students Attending the Taster Day

For Year 11 students, this Open Evening presents an invaluable chance to engage in deeper discussions about the subjects they are considering for Sixth Form. Students will have the opportunity to converse with our staff and current Sixth Form students, enriching their understanding of each subject's nuances and opportunities. In addition, for those pupils who took part in the subject taster sessions earlier in the day, this event serves as a perfect platform to build upon the insights and experiences they have already gained. It offers them a unique perspective to further explore and refine their thoughts, ensuring a more informed and confident decision-making process.
