Dear Parent/Carer,

Re.: Year 11 Easter Revision Sessions

As we move closer to the final part of year 11, we would like to make sure your child has every opportunity to fulfil their potential, therefore we will be offering revision sessions during the coming Easter holidays. We only have **five school weeks** left before your child will start their GCSE exams, so it's essential that your child attends these Easter revision sessions to give them that extra support.

The half-term intervention sessions will run from April 2nd – April 10th, 2024. Please see the timetable below:

All sessions have been planned to support your child's preparations for their upcoming exams. Please encourage your child to attend a session for each qualification that they are taking.

When attending these sessions students should enter the school through the Queen's Drive entrance, 5 minutes before the start of the session, where staff will meet them, it is important that they are on time, to ensure that they can gain entry to the school site. They will, at the end of the session, be escorted off the site via the main office, this is from a safeguarding perspective to ensure all students have vacated the site.

Thank you again for your continued support at this crucial time. If you have any questions regarding GCSEs, student destinations, sixth form or general enquiries, please do not hesitate to contact me by emailing me at k.kimber@ahs.omegamat.co.uk

Yours faithfully,

Mrs Kimber
Assistant Headteacher
