

Year 11 Science Mock examination preparation and self study

Please find dates and information to help you prepare for your forthcoming examinations.

You will have 3 papers Biology, Chemistry and Physics- all based on paper 1 content.

Dates- Monday 28th November Biology Paper 1

Wednesday 30th November Chemistry Paper 1

Wednesday 7th December Physics Paper 1

Biology Content	Chemistry Content	Physics Content
Cell Biology Organisation Infection and response Bioenergetics	Atomic Structure and the Periodic table Bonding Structure and the Properties of Matter Chemical Quantities and Calculations Chemical Changes Energy Changes	Energy Electricity Particle model of matter Atomic Structure

Self study and preparation schedule

Date/week beginning	Topic	Completed- due in on Friday- further information
Monday 7th November	Cell Biology Organisation Infection and response Bioenergetics	
Monday 14th November	Atomic Structure and the Periodic table Bonding Structure and the Properties of Matter Chemical Quantities and Calculations	
Monday 21st November	Chemical Changes Energy Changes	Review Biology topics
Monday 28th November	Biology Exam Energy Electricity Particle model of matter Atomic Structure	Review Chemistry topics
Wednesday 30th November	Chemistry exam	
Monday 5th December	Review Physics topics	
Wednesday 7th December	Physics exam
