Alsop Home School Agreement

At Alsop High School, parents play a crucial role in the partnership of Learning. The Home School Agreement incorporates the Aims, Values and Vision of the school, to ensure all students are learning in a secure, happy environment, where both home and school are working together to support the child.

We will:

- help your child to reach his/her potential
- provide an environment which supports a high level of achievement
- contact parentsguardians if there is a problem with attendance, punctuality or equipment
- let parents/guardians know about any concerns or problems which affect their child's work or behaviour
- send home regular assessments and an annual report of achievement
- set, mark and monitor homework
- arrange parent's evening and review days, to discuss progress
- keep parents/guardians informed about School activities

We ask you to:

- ensure your child goes to school regularly and on time
- contact the school to explain any absences
- ensure your child has the correct equipment, including a bag, to support their studies
- let the school know about any concerns or problems, which may affect work
- support the school's policies and guidelines for behaviour
- check your child's planner and ensure homework is completed
- attend parent's evenings and review days
- keep us informed of address or phone number changes
- get to know about your child's life at school.

For your child to succeed, we need your support and agreement
