

ALSOP HIGH SCHOOL

26th September 2024

Dear Parent/Carer,

I am delighted to invite you and your Year 10/11 child to our **Sixth Form Open Evening**, a vital event for anyone considering their next steps in education. This exciting evening will be held on **Thursday, 3rd October, from 4:30 PM to 6:30 PM.**

Alsop High School's Sixth Form offers an inclusive, supportive, and ambitious environment where every student can thrive. We are proud to say that over 85% of last year's cohort progressed to university, with many attending Russell Group institutions, while others secured impactful employment and apprenticeship opportunities. Our strong pastoral support ensures that every student is cared for, allowing them to live their true, authentic selves in a community that fosters respect, ambition, and belonging.

This Open Evening will give you and your child a comprehensive understanding of the diverse opportunities available at Alsop Sixth Form. It's a chance to:

- **Explore Level 3 Courses:** Gain in-depth information about our courses, helping you understand the curriculum and the career prospects associated with each subject.
- **Meet the Staff:** Talk to our dedicated and expert teaching staff, who will be available to answer your questions about courses, teaching methods, and the support your child will receive during their time with us.
- **Hear from the Leadership Team:** Learn more from Mr Kerfoot, Ms Tynan, and the Sixth Form Team about what makes Alsop Sixth Form a special place for both academic and personal development. Additionally, one of our Student Captains will share their experiences.

All attendees should arrive via the **Walton Village entrance**, where students will sign in and receive a programme of events, along with course information.

Attending this Open Evening will give you a first-hand look at the enriching academic and supportive environment that defines Alsop Sixth Form. We are committed to providing every student with the skills, knowledge, and confidence they need to succeed at university and beyond.

We look forward to welcoming you and your child on **Thursday, 3rd October**, for what promises to be an inspiring and insightful evening.

Yours faithfully,

L Dolan
