Supporting your ND child - Strategies for Grandparents and Carers

Aimed at Grandparents and Carers in Liverpool to help support their neurodivergent children. Working alongside Positive Futures, we are offering **face-to-face workshops** to build skills and knowledge around neurodiversity.

Parents and carers can access the three-part "Understanding and supporting my child's ADHD" programme, which explores different aspects of living with ADHD and strategies to support it.

The programme is delivered as live-streamed online sessions, with sessions available on various dates and times, including evenings and weekends.

Referrals for the programme can be made by CAMHS, Local Authorities and Paediatrics. However, families can also self-refer to the service by completing our online referral form.

Liverpool parents, carers and grandparents can use these guides to understand their child and learn how to build lasting, positive relationships with them, benefiting the whole family.

Fighting for young people's mental health

Talk to our Parents Helpline

If you're worried about your child or young person's mental health or wellbeing, you can speak to us over the phone or chat to us online. Our Helpline provides detailed information, advice and support to parents or main carers of children and young people aged 25 or under.

Remember, it's okay to reach out for help. We all need a little extra support sometimes, and we hear from parents and carers just like you all the time.

One in five children and young people in England aged eight to 25 had a probable mental disorder in 2023* 20.3% of 8 to 16-year-olds 23.3% of 17 to 19 year-olds 21.7% of 20 to 25 year-olds
