

ALSOP HIGH SCHOOL

10th October 2022

Dear Parent/Carer,

Please find below a copy of our intervention programme which was trialed last week and begins in earnest from Monday 10th October.

Each subject area is offering at least one session after school to support students with their learning and preparation this term.

These sessions are key and will begin after school at 2.45pm and finish at 3.45pm. We strongly recommend that your child attends as many sessions as possible to support their revision as we build up to assessment season and mock examinations at the end of this term.

The students have been given a copy of this timetable and have already begun devising a timetable for each week. We track attendance to these sessions carefully each week and this is strongly linked to our rewards programme this year.

If you have any questions about this or want to know how you can support your child further with their exams this year please do not hesitate to contact me or your child's form teacher.

Yours faithfully

Mrs C. Avison

Assistant Headteacher Year 11
