Year 3 Autumn 2 Homework Overview

Christmas Decoration:

Make a Christmas decoration for our class Christmas tree.

You can make it using whatever materials you wish - paper, salt dough, wood, card.

R.E Task:

The Nativity scene.

Create a representation of the Nativity scene using whatever medium you wish to use. It could be a picture, Lego model, 3-D model or a painting.

Science Task:

Science Task:

Create a model human skeleton using materials of your choice.

You could draw out the skeleton, make it out of sticks and rocks or make using junk modelling.

English Task:

Create a wordsearch related to Christmas.

It can have a certain theme like The Nativity or Christmas foods or just be words that are related to everything about Christmas.

Thinking of others at Christmas Time:

Do an act of kindness for others to remember the importance of giving and kindness during the festive season.

You could donate food, your time, your old toys, you could make some Christmas cards for a care home or any other act of kindness you can think of. Take a picture or write a note and we can share it and attach it to our tree.
