

Topic Overview

Year 5 - Autumn 1

English

We will be reading *The Lion, The Witch and The Wardrobe*. We will be exploring mythical creatures through non-chronological reports, before writing our own narrative based on our own mythical creature.

Maths

We will be learning about place value up to 1,000,000. Children will learn how to read, write, compare, order and round. We will then move onto addition and subtraction.

RE

Creation and Covenant

We will be exploring the God who creates and calls all people with a focus on the accounts of Creation from the Bible.

Science

Children will be exploring different types of properties using everyday materials. Children will be using their knowledge of solids, liquids and gases to enhance their learning.

History

Children will explore the Anglo-Saxon invasion and settlement of England, learning who they were, where they came from, and how they shaped life in England through their kingdoms, place names, language, and culture.

PE

This half term, we will be focussing on netball. The children will learn how to attack and defend in an invasion game as well as thinking about strategies, skills and tactics to outwit their opposition. Through this, children will develop fair play and honesty.

Art

Children will explore Anglo-Saxon artefacts, discussing the patterns, symbols and shapes, before going on to create their own 3D cross using depth and texture.
