

Year 1 Termly Homework – Autumn 1

Here is the homework grid for this half term. You must complete **at least TWO** of these tasks each half term. Please do bring in anything that you do at home or email photos, videos and any work to staff@alstonlane.mecmat.org

Thank you 😊

All homework brought in will be celebrated in class 😊

Art

This half term we are going to be looking at clay sculptures of human movement. We would love to see any sculptures that you decide to make at home! You could use playdough, clay or plasticine!

Science

This half term we are going to be looking animals and humans. What is your favourite animal? Can you draw it and label it?

Can you draw around yourself on large paper and label the body parts?

PSHE

Create a poster all about you! Draw yourself on your poster and write or draw some things about you. You could include your favourite things, things you like to do, things you are good at or what you are like (e.g. funny, caring).

Geography

In our Geography lessons, we will be learning about local Geography, but we will also be looking at maps, aerial photos and atlases! Can you design your own map? It could be a real map of somewhere you have been, or a made-up map! Maybe it could be a treasure map! Don't forget to add a 'key'.

RE

This half term we will be exploring the creation story and seeing God's love in our wonderful world. Can you make a thank you card to God for something you love in our world that he created? This could be some animals, something in nature or even family and friends.
