Topic Overview
Year 5 - Autumn 2

English
Children will be reading Oliver Twist. We will be exploring stories with historical settings, film and playscripts, alongside classic poetry.

Maths
We will be exploring multiplication and divsion, focusing on factors, multiples, squares and primes before moving onto all things fractions

RE
Prophecy and Promise
Explore the expectant waiting for the Messiah through the Advent season.

Science
Children will be exploring reversible and irreversible materials, demonstrating mixing, dissolving and changes of state.

History
Children will explore the Anglo-Saxon invasion and settlement of England, learning who they were, where they came from, and how they shaped life in England through their kingdoms, place names, language, and culture.

PE
Children will develop their skills in balancing, rolling, jumping and inverted movements. Children will explore partner relationships through synchronisation and mirroring. Children will work on quality and control during these sessions.

DT
Children will be tasked to design, make and evaluate a small-scale bird model. Children will create a Dragon's Den pitch to showcase their designs to their peers.
