

Year 1 Termly Homework – Spring 1

Here is the extra homework grid for this half term. You must complete at least TWO of these tasks each half term. Please do bring in anything that you do at home or email photos, videos and any work to staff@alstonlane.mecmat.org

Thank you 😊

All homework brought in will be celebrated in class 😊

Art

This half term we are going to be learning about portraits and self-portraits in the style of Picasso and Modigliani. Draw/paint yourself, or another family member. Remember to use correct sizes of head, eyes, mouth, nose, etc 😊

English

In a few weeks we will be learning all about the world of Peter Rabbit and friends by Beatrix Potter. We would love to read any of your creative stories based on any of the tales by Beatrix Potter. You could make it into a paper book with illustrations too.

Science

This half term we are going to be looking at materials. Could you create a materials book? You could have a new material on each page and draw or stick photographs or samples of things that are made from that material. Could you add some properties of the materials to describe them too?

RE

This half term we are learning about Jesus beginning his mission to spread God's word. We will learn about Jesus choosing his disciples to help him do this.

Can you draw a disciple and around them write some words to describe how they can be a good disciple and help share God's word. E.g. be kind, love one another, be brave.

PSHE

This term we are thinking about how we are created to love others and how we can help spread God's love and kindness. Could you make a card or picture for your friend or someone in your family to say thank you for their friendship and love and tell them that you love them?
