

### English

Write a short cartoon strip about a dilemma you faced and what happened. Add details of what you might do differently next time.

Research a famous brand or product you and your family like to use and prepare a short presentation about that brand.

### PSHE

Discuss the terms 'risk' 'danger' and 'hazard' with a family member. Can you give an example of each? How are they different from each other?

### PE

Design a poster to explain the rules of Handball.

### RE

Design a family tree showing Jesus' family. This can be done with any materials you can find around the home, as a poster or presentation.

### Science

Make an infographic that explains what the three states of matter are and how they can change from one to the other. Think about what the processes of change are called and under what conditions do they occur.

We will celebrate all children's work individually as it is brought in to school and proudly display it in our classroom where possible

# Year 4

## Homework Spring 1 Term 1

### Year 4 Weekly Core Homework

- Daily reading for enjoyment (noted and signed in planner by an adult)
- Weekly times tables practice
- Weekly SPAG.com activity
- Weekly Maths.co.uk activity

### Topic Homework

Please complete **two** of the topic activities to deepen your knowledge and understanding of the topics you are learning. I am so excited to see you 'unleash your creative side' and to share your successes with the rest of Team Year 4. Please bring in your homework as you complete it so we can celebrate your achievements together.
