

Year 1 Termly Homework – Summer 1

Here is the extra homework grid for this half term. You must complete at least TWO of these tasks each half term. Please do bring in anything that you do at home or email photos, videos and any work to staff@alstonlane.mecmat.org

Thank you 😊

All homework brought in will be celebrated in class 😊

RE

Could you create a piece of artwork about one of the following...

- The Holy Spirit
- Pentecost
- The Ascension of Jesus

We will display the artwork on our RE wall.

Computing

We are going to be learning how to type on a keyboard in computing.

Could you type some facts about yourself or some nice sentences about a friend and print it out?

DT

Have a go at making your own slider or lever. You can use different materials.

English

We are going to be learning about the tales of Winnie and Pooh and his friends. Write your own made-up story to share to the class.

You might want to do this as a book and add illustrations.

Geography

Go on a human and physical features hunt!

Go on a walk or when you are out with your family see if you can spot some physical and human features. You could make a list of these and draw pictures to share with the class.

Don't forget! Human features are made by people and Physical features are natural.
