English

In English, we will be studying the Fairy Tale of The Pied Piper. We will read and analyse the story together. We will choose some creatures of our own who infest a local school and find a hero/villain to rescue everyone before writing our own innovated version of the story. We will also produce a newspaper article and poems.

History/Geography

In Geography, we will study some of the World's highest mountains with a particular focus on Mount Everest. We will produce a leaflet about whether tourists should be allowed to visit Mount Everest.
We will find out what it is like to climb a mountain and the risk of avalanches.
There will be lots of opportunities to develop our Oracy skills by talking about our findings and 'hot seating!'

In PSHE we will be looking at healthy relationships and feelings. We will discuss who to talk to when things get difficult and how to set boundaries.

Science

This half term we are continuing with the journey of our food, labelling the parts of the digestive system, creating a working model before moving on to look at food chains.

Maths

In Math's, we will focus on Multiplication and Division including Tables up to 12s. We will be developing our problem-solving skills each day, as well as carrying out Math's Investigations.

Year 4

Curriculum Overview
Autumn Term 2

Physical Education

In PE, our focus will be on the skills and knowledge of Dance. We will learn different sequences of 4s and 8s and develop our own dances based on our study of The Pied Piper.

RE

In Religious Education, we will be studying 'Prophecy and Promise'. This will include learning about the ancestry of Jesus, studying John the Baptist and Elijah and the importance of the phrase 'Christ the King'.
