

### **English**

Write a diary entry as Beowulf – remember to include thoughts and feelings.

### **Maths**

Write down your favourite recipe. Then work out what your recipe would look like if you were creating it for the whole class or even the school!

### **Religious Education**

Create a piece of artwork that depicts the seven sacraments.

### **Catholic Social Teaching**

Create a poster that shows what 'Family and Community' mean to you. Include words and pictures that represent how we can help and support each other.

## **YEAR 6 HOMEWORK PICK AND MIX SPRING 1**

Please choose 2 of these or similar homework activities to complete over the half term.

This is in addition to:

- Daily reading
- Times tables practice
- Weekly SPAG.com
- Weekly maths.co.uk

### **History**

Create a 3D Viking longboat out of scrap materials. Take a picture for us to see or bring it in to school for us to display.

### **Science**

Create your own creature – label all the different features it has. Design a habitat for it that it could survive in.

### **Computing**

Find a website that you like. Take screenshots of different web pages and annotate them saying why you like them.
