

Welcome back

We hope you all had a wonderful half term with your families. We are looking forward to all our exciting learning this half term.

Nursery

This half term our theme is 'Our Wonderful World'. The children will be encouraged to wonder 'what's out there?' We will start by thinking about our locality and animals we might find in woodlands and fields. We will then find out about animals in other countries and how they adapt to their environments.

The children will explore maps of the local area, atlases, and globes.

The core stories we are focusing on are Town Mouse Country Mouse by Libby Walden, Snail and the Whale by Julia Donaldson and The Storm Whale by Benji Davies

Reception

This half term our theme is 'Our Wonderful World - Far Away.' We will compare life in our country to other countries. We will learn all about Africa including where children go to school, what they eat and transport.

We will talk about our own experiences of travelling to other countries. We will also learn all about space and different famous explorers. We will discuss the planets in our solar system, and we will make a rocket for our classroom.

Dairy Dates

Thursday 6th March - World Book Day

Monday 24th/ Tuesday 25th March - Parent's evening for Reception class and pre-school children
