

EYFS HALF TERMLY NEWSLETTER - Summer 1

Welcome back

We hope you all had a wonderful Easter break with your families. We are looking forward to all our exciting learning this half term.

Nursery

This half term our theme is

'Magic, Awe and Wonder'

The children will wonder 'do these creatures exist?'. We will be exploring mythical creatures, fantasy and fairy tales.

Alongside this we will learn all about the life cycle of a plant and a frog, watching our very own tadpoles grow. The children will also learn how to take care of animals.

PE will now take place on a Friday morning for pre-school children. Please make sure your child has a change of clothes for this session (t-shirt, leggings/shorts and appropriate footwear)

Reception

This half term our theme is

The Great Outdoors

The children will wonder 'how do living things grow and change?' We will learn about minibeasts. We will go on a minibeast hunt and make a bug hotel. We will be learning about the seasons, plants, growth and lifecycles.

The children will plant their own seed and look after it. We will also grow vegetables and make vegetable soup.

We will spend lots of time exploring the great outdoors.

Dairy Dates

Thursday 8th May VE Day - All EYFS children to come into school dressed up in red, white and blue

Tuesday 20th May Nursery visit to the eco fairy garden

Wednesday 21st May- Nursery fantasy theme dress up day (letter will be sent out shortly)

Nursery Graduation- Wednesday 16th July 9.15am

Important- the nursery team are asking that all children try to come in to Nursery in the mornings independently from now on. The building is getting very busy. For pre-school children this is a good transition for school and for our younger children we are hoping that it will help settle them quicker. You are still welcome to speak to a member of staff at any time. We thank you for your understanding and support with this.
