will find at the Seaside

Create a piece of art work  
about the seaside. This  
could be anything, use your  
imagination.

Continue to support your  
child's reading and  
writing with the RWI  
books, red words and  
writing opportunities.

Design a sea creature using a  
repeating pattern.

Remember the pattern is 2 or 3  
things, then repeat over and  
over.
