

ALSTON MOOR FEDERATION

Special Educational Needs and Disability Policy

Aims

Our SEND policy and information report aims to:

- Set out how our school will support and make provision for pupils with special educational needs (SEND)
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND

Legislation and guidance

This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND and disabilities
- [The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEND co-ordinators (SENDCOs) and the SEND information report

Definitions

A pupil has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them.

They have a learning difficulty or disability if they have:

- A significantly greater difficulty in learning than the majority of others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

Roles and Responsibilities

The SEND Governor

The SEND governor will:

- Have overall responsibility for the provision and progress of learners with SEND and/or a disability

Class teachers

Each class teacher is responsible for:

- The progress and development of every pupil in their class
- Working closely with any teaching assistants or specialist staff to plan and assess the impact of support and interventions and how they can be linked to classroom teaching
- Working with the SENDCO to review each pupil's progress and development and decide on any changes to provision
- Ensuring they follow this SEND policy

SEND Information Report

The kinds of SEND that are provided for

Our school currently provides additional and/or different provision for a range of needs, including:

- Communication and interaction, for example, autistic spectrum disorder, Asperger's Syndrome, speech and language difficulties
- Cognition and learning, for example, dyslexia, dyspraxia,
- Social, emotional and mental health difficulties, for example, attention deficit hyperactivity disorder (ADHD),
- Sensory and/or physical needs, for example, visual impairments, hearing impairments, processing difficulties, epilepsy
- Moderate/severe/profound and multiple learning difficulties

Identifying pupils with SEND and assessing their needs

We will assess each pupil's current skills and levels of attainment on entry, which will build on previous settings and Key Stages, where appropriate. Class teachers will make regular assessments of progress for all pupils and identify those whose progress:

- Is significantly slower than that of their peers starting from the same baseline
- Fails to match or better the child's previous rate of progress
- Fails to close the attainment gap between the child and their peers
- Widens the attainment gap

This may include progress in areas other than attainment, for example, social needs.

Slow progress and low attainment will not automatically mean a pupil is recorded as having SEND.

When deciding whether special educational provision is required, we will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil and their parents. We will use this to determine the support that is needed and whether we can provide it by adapting our core offer, or whether something different or additional is needed.

Consulting and involving pupils and parents

We will have an early discussion with the pupil and their parents when identifying whether they need special educational provision. These conversations will make sure that:

- Everyone develops a good understanding of the pupil's areas of strength and difficulty
- We consider the parents' concerns
- Everyone understands the agreed outcomes sought for the child
- Everyone is clear on what the next steps are

Notes of these early discussions will be added to the pupil's record and given to their parents.

We will formally notify parents when it is decided that a pupil will receive SEND support.

Assessing and reviewing pupils' progress towards outcomes

We will follow the graduated approach and the four-part cycle of **assess, plan, do, review**.

The class or subject teacher will work with the SENDCO to carry out a clear analysis of the pupil's needs. This will draw on:

- The teacher's assessment and experience of the pupil
- Their previous progress and attainment and behaviour
- Other teachers' assessments, where relevant
- The individual's development in comparison to their peers and national data
- The views and experience of parents
- The pupil's own views
- Advice from external support services, if relevant

The assessment will be reviewed regularly.

All teachers and support staff who work with the pupil will be made aware of their needs, the outcomes sought, the support provided, and any teaching strategies or approaches that are required. We will regularly review the effectiveness of the support and interventions and their impact on the pupil's progress.

Supporting pupils moving between phases and preparing for adulthood

We will share information with the school, college, or other setting the pupil is moving to. We will agree with parents and pupils which information will be shared as part of this.

Our approach to teaching pupils with SEND

Teachers are responsible and accountable for the progress and development of all the pupils in their class.

High quality teaching is our first step in responding to pupils who have SEND. This will be differentiated for individual pupils.

We will also provide the following interventions:

- 1:1 RWI tutoring
- Personalised interventions
- Pre-teaching
- Consolidation work

Adaptations to the curriculum and learning environment

We make the following adaptations to ensure all pupils' needs are met:

- Differentiating our curriculum to ensure all pupils are able to access it, for example, by grouping, 1:1 work, teaching style, content of the lesson, etc.
- Adapting our resources and staffing
- Using recommended aids, such as laptops, coloured overlays, visual timetables, larger font, etc.
- Differentiating our teaching, for example, giving longer processing times, pre-teaching of key vocabulary, reading instructions aloud, etc.

Additional support for learning

We have 8 teaching assistants who are trained to deliver interventions such as Fresh start and RWI interventions

Teaching assistants will support pupils on a 1:1 basis.

Teaching assistants will support pupils in small groups.

We work with the following agencies/schools to provide support for pupils with SEND:

- Speech and Language team
- Barnardos
- Local Authority specialist teachers
- CAMHS
- Targeted youth support
- The Gilford Centre
- James Rennie School
- Beaconside School

Expertise and training of staff

Our SENDCO has 10 years of experience in this role and has worked as a primary class teacher for 17 years.

They are allocated time per week to manage SEND provision.

We have a team of teaching assistants, including 4 higher level teaching assistant (HLTAs) who are trained to deliver SEND provision.

Evaluating the effectiveness of SEND provision

We evaluate the effectiveness of provision for pupils with SEND by:

- Reviewing pupils' individual progress towards their goals each term
- Reviewing the impact of interventions after 8 weeks
- Using pupil questionnaires
- Monitoring by the SENDCO
- Using provision maps to measure progress
- Holding annual reviews for pupils with statements of SEND or EHC plans
- Enabling pupils with SEND to engage in activities available to those in the school who do not have SEND
- All of our extra-curricular activities and school visits are available to all our pupils, including our before-and after-school clubs.
- All pupils are encouraged to go on our residential trip(s).
- All pupils are encouraged to take part in sports day/school plays/special workshops, etc.
- No pupil is ever excluded from taking part in these activities because of their SEND or disability.
- We provide support for pupils to improve their emotional and social development in the following ways:
 - All pupils are encouraged to be part everyday school activities
 - We have a zero-tolerance approach to bullying.

Complaints about SEND provision

Complaints about SEND provision in our school should be made to the headteacher in the first instance. They will then be referred to the school's complaints policy.

The parents of pupils with disabilities have the right to make disability discrimination claims to the first-tier SEND tribunal if they believe that our school has discriminated against their children. They can make a claim about alleged discrimination regarding:

- Exclusions
- Provision of education and associated services
- Making reasonable adjustments, including the provision of auxiliary aids and services
