Headteacher's Message

Today we were delighted to welcome back the wonderful author Phil Earle for a return visit to our school. It was lovely to see him again, and our KS2 children thoroughly enjoyed spending the afternoon with him, sharing and talking about his newest book, Finn's Epic Fails. The children enjoyed the afternoon and were clearly inspired by his story and his enthusiasm and passion for reading and writing, making it a truly memorable experience for all involved.

A huge thank you goes to Mrs Hodgson and Elaine from Book Bean & Ice Cream in Kirkham for their wonderful organisation skills to make this visit possible and for their continued support in promoting a love of reading with all our children.

On Sunday, a group of our children will be performing live on stage in Market Square, Lancaster. This is part of the Chinese New Year celebrations. It all starts at 12pm and the children will be performing as part of the opening ceremony. Please do come and join us if you are in the area.

Our dance squad will be taking part in Schools Alive at the Winter Gardens on Wednesday evening. Blackpool Music Service leads on Schools Alive 2026. It is a week long festival providing a fantastic opportunity for Blackpool schools to come together and celebrate the joy of live performance, and we know our children will represent our school brilliantly.

Let's hope the weather improves for the weekend.

Attendance Matters

All schools have a responsibility to monitor and improve attendance across their school community. We are committed to this responsibility and ensuring that children receive the education to which they are entitled. It is vital that children are in school every day if they are well enough.

Foundation

Our Foundation Stage children are enjoying their transport topic. We are love our airport role play and enjoyed carrying out a survey of the different forms of transport travelling past our school.

Year 1

Year 1 have been creating groups of 10 and counting from 20 to 50 this week! Well done.

Year 2

In computing this week, Year 2 looked at rhythms and pulses. We practised this by clapping our hands to beats - we then looked at making our own music on the iPads using Chrome Music Maker. We thought about which beats would match a particular animal then we got our friends to guess which animal beat we had made.

Year 3

We used songs to help us remember coordinating conjunctions in our writing lesson. It was fun getting the microphones out!

Year 4

Year 4 have discovered the meaning of new vocabulary words this week by complete a 'Big Vocabulary Sort'

Year 5

In Art, Year 5 have been studying retro-futurism and have created their own cityscapes 🎨🌟

Year 6

This week a groups of Y6 pupils participated in the Chinese New Year celebrations. They will also be performing in Lancaster this weekend.

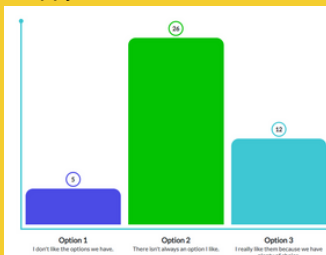

Junior Leadership Team

Hello from the Junior Leadership Team, this week we had an exciting visit Phill Earl who is coming to show us his new book Finns Epic Fails! He has previously visited before and inspired lots of children and has done the same today. This weeks joke is... What is a lions favourite fruit? A strawberry!

This weeks question was...

Are you happy with the current dinner menu?

That's all from us this week. Have a great weekend!
