Headteacher's Message

Happy New Year to you all.

We hope you had a wonderful Christmas break with your families and friends. It was lovely to welcome the children back into school on Monday despite the bitter cold and ice.

I have some wonderful news to celebrate. We have been awarded Level 5 of the Computing Quality Mark, the highest level possible! This achievement officially recognises us as an Exemplar School for computing provision.

This is a huge milestone and reflects the outstanding work happening across our school and the wider educational community in computing

A huge and special thank you goes to Mrs Rawlinson, Miss Wilson and Mr Westwood for their incredible hard work and dedication in making this possible. Their commitment has been instrumental in achieving this recognition.

This is a wonderful achievement that we should be very proud of.

Have a lovely weekend,

Mrs Barr

Attendance Matters

All schools have a responsibility to monitor and improve attendance across their school community. We are committed to this responsibility and ensuring that children receive the education to which they are entitled. It is vital that children are in school every day if they are well enough.

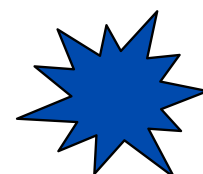

Weekly Attendance

Attendance Matters!

Well done to Foundation Stage, who have the highest year group attendance this week.

Well done also to Class 6, who won our highest weekly attendance award.

Year Group	Weekly Attendance Week commencing 05/01/26	Average this year
Foundation Stage	98.4%	96.1%
Year 1	96.7%	96.8%
Year 2	96.7%	95.5%
Year 3	97.8%	94.9%
Year 4	95.8%	95.9%
Year 5	95.3%	94.3%
Year 6	96.2%	95.4%

Well done

Foundation

Foundation Stage are learning all about winter. We enjoyed going on a winter walk and finding signs of winter.

Year 1

In year 1, children have demonstrated some fantastic gymnastic skills in P.E 🦋

Year 2

In design technology this half term, Year 2 children are learning about foods from different countries in the U.K. We had a great experience tasting and giving opinions on some foods.

Year 3

Year 3 have started reading 'Iron Man' by Ted Hughes. The children completed a freeze frame activity to represent scenes from the story so far.

Year 4

Year 4 have started their gymnastics units this week and been practicing their forward rolls and balances.

Year 5

Year 5 have been immersing themselves in their new book in preparation for explaining how Curiosity got to Mars.

Year 6

Year 6 are back at it working hard with their writing after Christmas!

Junior Leadership Team News

Hello from the Junior leadership Team, we hope you all had an amazing Christmas and got all the presents you wished for. Also we wanted to wish you all a HAPPY NEW YEAR! All the children have settled in nicely and have started a new term of learning. The children have been working on their personal resolutions and have set a new goal for 2026. To brighten up the first week back at school/work lets celebrate with a joke

... Why did the teddy bear say no to the dessert ?

Because he was stuffed :)

We all hope you enjoyed this week. That's all from us this week, have a fab weekend.
