## Headteacher's Message

We have had another busy week here in school. As you can see, the work at the front of the school is coming along and we are hoping it is finished by the end of next week. Thank you to our foundation stage families and friends who sponsored their children in the danceathon that took place on Monday. We have raised over £3,600 to buy some additional equipment for this area. Thank you so much to everyone who supported us, we will keep you posted on what we purchase. I must also say a huge thank you to Mrs Spooner for her hard work and dedication in organising this, and making it possible. On Wednesday the builders working on the heat pump installation at the back of our school managed to set off our fire alarm! The children evacuated the school sensibly and we were all out in record time. The fire service were impressed by how well we had done. A huge thank you to our staff and children for doing this swiftly and in a calm manner.

This week Y6 have completed their SATs. We are extremely proud of the resilience and positivity they have shown during this time and the hard work they have put in over the last seven years to get to this point. Yesterday afternoon they celebrated. We look forward to our residential next week. Well done Year 6 – you've done yourselves proud.

Have a lovely weekend,  
Mrs Barr

# Attendance Matters

All schools have a responsibility to monitor and improve attendance across their school community. We are committed to this responsibility and ensuring that children receive the education to which they are entitled. It is vital that children are in school every day if they are well enough.

**Weekly Attendance**

Year Group	Weekly Attendance Week commencing 12/05/25	Average this year
Foundation Stage	95.1%	96.2%
Year 1	94.8%	95.7%
Year 2	95.6%	96.2%
Year 3	96.3%	96.0%
Year 4	92.9%	95.4%
Year 5	96.4%	95.7%
Year 6	98.4%	94.4%

**Well done**  
Well done to Year 6, who have the highest year group attendance this week. Well done also to Class 10 who had the highest class attendance and won our attendance award again this week.

Attendance per class is shared and celebrated in whole-school assembly each week and the class with the highest attendance are presented with our attendance award to display proudly on their classroom door. The class who has won the weekly attendance award the most times across a term win the Attendance Reward. The reward for the spring term was won by Class 6 and they enjoyed a trip to The Backlot Cinema to watch Dogman. This term's winners will have the choice of a visit from the ice cream van, a silent disco on the school field, another cinema trip or something else (to be decided by the children).

At the end of each term, children who have achieved 100% attendance receive a special 100% attendance badge. 100% attendance across one term earns the children a bronze badge. If they achieve 100% attendance across two terms, they receive a silver badge and anyone who achieves 100% attendance across the entire year, receives a special gold badge. So far this year, Mrs Hylton has presented 245 bronze badges and 61 silver badges. At the end of the summer term, the final set of badges will be awarded and we are confident we'll have more bronze and silver as well as some gold badges to present.

Thank you for your ongoing support to ensure your child achieves the best possible school attendance.

## This week in pictures

### Foundation

Foundation Stage did a brilliant job at their Dance-A-Thon. It was such a fun afternoon! Thank you for all your donations. We will let you know how much we have raised for further outdoor equipment soon.

### Year 1

Enjoying the sunshine in year1☀️

### Year 2

Year 2 have been impressing their teachers this half term with fantastic cursive handwriting. We will soon be awarding this half term's presentation certificates in assembly.

### Year 3

Class 8 investigating how shadows change throughout the day.

Year 3 have been refining their cricketing skills.

### Year 4

In Design and Technology, Year 4 are looking at pneumatic systems. The children investigated how to create their own system using a balloon pump (syringe), tubing and a balloon.

### Year 5

Year 5 have been investigating where major earthquakes of the world occur using digital mapping resources.

### Year 6

Year 6 enjoyed an ice cream in the sun after completing their SATs exams. Well done to Year 6.

## HELP US TRANSFORM OUR GARDEN SPACES

We're on a mission to make our garden areas safer, cleaner, and more child-friendly - but we need your help! Right now, our outdoor space for Breakfast and After School Club is in need of a little TLC:

- Overgrown branches to cut back
- Rubble and debris to clear
- General clean-up to create a safe and fun play space

Unfortunately, we currently have no funding to improve these areas - but with the time, tools, or skills of our amazing parents, staff, and wider community, we can make a real difference!

Can you help us?

Whether it's lending a hand, bringing tools, donating materials, or even just spreading the word - every little bit helps!

Let's create a garden space our children deserve - safe, fun, and full of life!

Thank you in advance for your continued support!

School's week's riddle is: What has one head, one foot and four legs? Answer: A bed  
This week's joke is: Why do you go to bed every night? Answer: Because your bed won't come to you.  
Well done to all children who took part in their assessments this week we hope everyone has a lovely weekend!

**ROYAL LIFE SAVING SOCIETY UK**

Whenever you are around water:

**STOP AND THINK**

Take time to assess your surroundings. Look for the dangers and always research local signs and advice.

**STAY TOGETHER**

When around water always go with friends or family. Swim at a lifeguarded venue.

In an emergency:

**CALL 999**

If you are at the coast, call 999 and ask for the Coastguard. Don't enter the water to rescue.

**FLOAT**

Fall in or become tired - stay calm, float on your back and call for help. Throw something that floats to somebody that has fallen in.
