Dear Families

We would like to say thank you for all your continued support this academic year. We are blessed to have such wonderful children and families working in partnership with staff that always go above and beyond to ensure all our children receive the best possible education with Christian values being at the heart of all that we do.

We would like to take this time to reflect on all the wonderful things that have happened at Anson during 2023-24 - we hope you feel the same amount of pride as we do!

PE Silver Mark

Anson's Success Story 2023 - 2024

We are delighted to announce that we, Anson CE Primary, have achieved the School Games Silver Mark Award for the 2023/24 academic year.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Thank you to Mr Davies for leading PE at Anson and giving so many of our pupils the opportunity to compete in sport this year.

Spelling Bee

Congratulations to all the pupils that represented Anson this year in this very exciting competition against 3 other schools within the Trust. From Years 1 - 6, children had to spell some very tricky words and were placed 2nd and 3rd overall.

Sporting Success

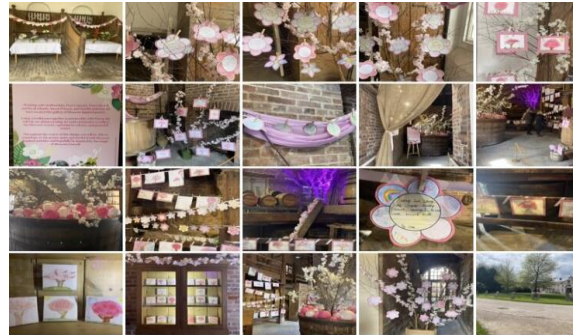

This year has been an exciting year for Anson and sporting fixtures. With a total of young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

Anson's Talents

This year we have also been treated to a number of events showcasing our children's talents including Anson choir, singers, guitar players, piano players, flutist, artist and poets - what a talented bunch they all are!

Anson's Enrichment

All our classes have been able to enjoy trips and residential this year - which has been fantastic! These opportunities offer our children experiences that not only support their learning but aid their personal growth too. A big thank you to the PTFA for supplementing some of these trips to reduce the cost to families and all the staff that have given their own time to make these happen - thank you!

What citizens of the future!
