# **1 Introduction**

This is a successful school and every child plays their part in making it so. We aim for an environment which enables and encourages all pupils to achieve their potential.

For our children to gain the greatest benefit from their education it is vital that they attend regularly and every child should be at school, on time, every day the school is open unless they have an unavoidable reason to be absent. Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning.

Government research shows a direct link between attendance and attainment and good attenders also make better progress socially, learn to work with others, and are better prepared for the transition to secondary school and, eventually, higher education, training and employment.

It is very important therefore that you make sure that your child attends regularly and this policy sets out how together we will achieve this.

Our attendance target this year is 96% but all pupils should strive to achieve 100% attendance if they can.

## **2 Responsibilities and roles**

### **2.1 Families**

Parents and carers have a legal duty to ensure that their children attend school regularly, if they are of compulsory school age and registered at a school (see appendix for details of how the law applies to school attendance and how "parent" is defined in law).

Parents and carers must also ensure that school has up-to-date contact information for themselves and emergency contacts.

If your child is going to be absent, parents must inform school as soon as possible and at the latest by 9.15 am on the first day of absence.

Pupils' responsibilities depend upon their age, maturity and capability but they too must do their best to attend school regularly and punctually.

### **2.2 School**

#### **Head Teacher**

- Lead on giving attendance a high profile.
- Ensure there are designated staff with day-to-day responsibility for attendance matters and protected time allocated to discharge those responsibilities.
- Take overall responsibility for ensuring the school conforms to statutory requirements regarding attendance.
- Consider each request for leave against the school's criteria, decide whether some, all, or none of the leave will be authorised and notify parents of this decision.

- Where there is uncertainty regarding an absence, make the decision whether or not to authorise an absence, or to request further evidence to support the decision-making process.
- Provide regular reports to the governing body on school attendance, including persistent absence and vulnerable groups.

### **Attendance lead and other staff with designated responsibilities for attendance**

- First day response: contact parents if a reason for absence has not been provided and record this information accordingly. Contact emergency contacts if parents cannot be reached.
- Update attendance registers.
- Regularly identify and monitor pupil, class and whole school attendance and punctuality levels, particularly that of vulnerable groups.
- Regularly communicate pupil attendance and punctuality levels to parents.
- Work with children and parents to remove barriers to regular and punctual attendance, using parenting contracts where appropriate.
- Involve external agencies to support children and parents as appropriate to better understand and address the issues causing attendance concerns.
- Promote regular attendance through the school newsletter, website and displays and ensure the school's attendance policy is readily accessible.
- Use projects and strategies to improve attendance and punctuality for groups, classes or the whole school (eg incentive and reward schemes, certificates, traffic light letters).

### **All school staff**

- Provide a welcoming atmosphere for children and a safe learning environment.
- Be aware of factors that can contribute to poor attendance and punctuality.
- Adhere to the procedures in place within school to promote good attendance.
- Promote the link between attendance and educational attainment to pupils and parents.
- Complete attendance registers in accordance with the legislation and under the direction of the head teacher.
- Discuss attendance concerns at an early stage with children and parents.
- Raise any concerns about attendance with the attendance lead and/or head teacher.

### **Governors**

- Ensure compliance with The Education (Pupil Registration) (England) Regulations 2006, as amended.
- Agree an attendance policy and review it annually.
- Agree targets for attendance at Applebee Wood School.
- Where the school is not meeting its attendance targets, or when the governors believe there is cause for concern, instigate a review of school's attendance procedures.

- Authorise the head teacher, or Mrs Beaghan (attendance lead) to make decisions regarding leave of absence requests.
- Work with the head teacher in establishing equitable and consistent criteria against which leave requests will be considered.

Schools are bound by a range of attendance legislation and guidance; please see the appendix for further details.

## **2.3 Lancashire County Council (the local authority)**

### **School Attendance Consultants (SACs)**

SACs are schools' first point of contact for attendance advice regarding individual pupils and the whole school.

### **School Attendance Legal Team (SALT)**

Following requests from schools for legal interventions in the event of failure to attend school regularly, SALT undertakes enforcement processes, including penalty notices, prosecutions, parenting orders, education supervision orders and school attendance orders.

### **Children Missing Education (CME) Team**

The CME team ensures the local authority fulfils its statutory duty to identify children in their area who are not registered pupils at a school and are not receiving suitable education otherwise than at a school. For further information see section 7, below, regarding notifications schools must submit.

## **3 Types of absence**

Every half-day absence from school is classified by the school as either authorised or unauthorised. This is why information about the cause of any absence is always required from parents/carers. As a school, we will always work with parents (and other agencies, as appropriate) to understand the reasons underlying absence.

### **3.1 Authorised absences**

Authorised absences are mornings or afternoons away from school for a good reason like illness, medical/dental appointments which unavoidably fall in school time, emergencies or other unavoidable causes.

### **3.2 Unauthorised absences**

Unauthorised absences are those which the school does not consider reasonable. If a pupil continues to have unauthorised absences, the school may refer to the Pupil Attendance Support Team or request legal interventions from the School Attendance Legal Team. Examples of unauthorised absences are:

- Parents/carers keeping children off school unnecessarily.
- Truancy during the school day.
- Absences which are not explained satisfactorily.

- Children who arrive at school after the register has closed.
- Days off for shopping, birthdays or looking after other children.
- Day trips and holidays in term time which have not been agreed by the head teacher.
- Days that exceed the amount of leave agreed by the head teacher.

It is the head teacher's responsibility to decide if an absence is authorised or unauthorised. Hence, if there is any ambiguity relating to an absence, school may request further evidence from parents before an absence is authorised. This may be in the form of a prescription, appointment card or similar. Parents should not ask their doctor (GP) to provide "sick notes" to excuse absence.

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school for other reasons. If your child is reluctant to attend school it is better to speak to Mrs Beaghan as soon as possible to resolve the issue, rather than trying to cover up their absence, or give in to pressure to let them stay at home. As a school, we will always work with parents (and external agencies as appropriate) to understand and address the reasons behind absence.

### 3.3 Persistent Absence (PA)

Persistent absence is when a child misses 10% or more of their schooling across the school year for whatever reason, authorised and unauthorised (including illness, exclusion, holiday, etc). Absence at this level will damage any child's educational prospects and we expect parents' fullest support and co-operation to address this.

At Applebee Wood School, we monitor all absence thoroughly, therefore any pupil whose attendance indicates they are likely to reach the PA threshold will be prioritised and parents will be informed of this promptly. Pupils who are persistent absentees are tracked and monitored carefully and the attendance procedures below (section 5) will be followed.

### 3.4 Leave during term time

By law, maintained schools cannot authorise any leave in term time other than in exceptional circumstances. Taking a child out of school in term time will affect their education and progress as much as any other absence. If leave is being requested for a holiday or extended leave abroad, approval should be obtained from the head teacher before making any bookings.

Leave of absence in term time **will not** be granted unless:

- a request for leave has been made in advance by a parent with whom the pupil normally resides (using the form available on the school website or from the school office), and
- the head teacher considers that leave of absence should be granted due to the **exceptional circumstances** relating to the request.

Due to the need to evidence exceptional circumstances, parents are advised to provide school with any relevant information regarding their request at the point of application if they believe the circumstances are exceptional.

In considering the request school will also consider other factors such as:

- The timing of the requested leave, eg when a pupil is just starting at school or during assessment periods.
- A pupil's attendance record already includes unauthorised absence.
- Attendance is already a concern, or could become a concern, as a result of taking leave.
- Other periods of leave which the pupil may have had, either during the current or previous academic year.

Any period of leave taken without the agreement of the school, or in excess of that agreed, will be classed as unauthorised and may attract legal sanctions such as a penalty notice.

### **3.5 Religious absence**

School will authorise one day of absence per religious festival, eg Eid, and this will be marked as code R in the register. The day authorised will be that set aside by the religious body of which the parent is a member.

Parents must request any additional leave in advance and this can only be authorised if the head teacher agrees that exceptional circumstances apply; this would be marked in the register as code C.

### **3.6 Participation in performances (eg theatre, television, modelling)**

Parents of a child performer can request leave from school for their child to take part in a performance. A local authority licence must be obtained before a child can take part in a performance. Before a licence is granted, school will be consulted and head teachers must be satisfied that the leave will not have a negative effect on the child's education.

Where the licence specifies the dates that the child is to be away from school, the head teacher should authorise those days. However, where the licence does not specify dates, it is at the discretion of the head teacher to authorise the leave request.

Any absence authorised for the child to take part in a performance will be recorded as code C.

Parents wishing to apply for a performance licence should go the Lancashire County Council [Child performance licences webpage](#).

## **4 Registration**

### **4.1 Attendance registration**

Morning registration is between 8.40am and 8.55am.

Afternoon registration is between 1.15pm and 1.20pm.

After the attendance register has been taken it remains open until 9.30am in the morning and 1.30pm in the afternoon.

## **4.2 Late arrival**

Pupils who arrive after the register has been taken (8.55am or 1.20pm) but before it is closed (9.30am or 1.30pm), will be marked as code L. This is classed as late but present for the session (ie the morning or afternoon).

Pupils who arrive after the register has closed and without a valid reason for being late (such as attending a dental or medical appointment) will be marked as code U, which is classed as an unauthorised absence but indicates that the pupil was physically present in school for part of the session.

## **4.3 Punctuality**

Poor punctuality is not acceptable. If your child misses the start of the day, they can miss work and do not spend time with their class teacher getting important news and information for the day. Pupils arriving late also disrupt lessons, which can be embarrassing for the child and can in turn, encourage absence. Being 10 minutes late every day throughout the academic year is the same as missing two weeks of school.

If your child is often late you will be asked to meet with the attendance lead, Mrs Beaghan to discuss ways to improve punctuality, but you can approach us at any time if you are having problems getting your child to school on time.

Persistent lateness after the register has closed may result in further action, as outlined below, under section 5.

# **5 School attendance procedures**

## **5.1 First day of absence**

If your child is absent and we have not heard from you, we will telephone you on the first day of absence to find out what the reason is and when your child is expected to return. If we are unable to contact you, we will approach your emergency contacts and, if necessary, make a home visit.

## **5.2 Attendance concerns**

Parents are expected to contact school at an early stage and to work with us in resolving any attendance problems together; this is nearly always successful. However, if concerns persist, school will use the following procedures and interventions, as required, to support parents in improving their child's attendance and/or punctuality.

- Telephone calls and/or letters to make parents aware of school's concern about their child's attendance.
- Invitation to meetings to discuss concerns with our attendance lead and/or head teacher.
- Use parenting contracts to identify barriers to regular attendance, ways to overcome these and agree targets for improvement.

- Use incentive and reward schemes for individual pupils, if appropriate.
- For unauthorised absences, request legal interventions by the local authority, such as penalty notices, prosecution or other attendance-related court orders.

At any stage, we may seek advice from our School Attendance Consultant.

### **5.3 Pupils with medical needs who have difficulty attending school**

Government guidance on supporting pupils at school with medical conditions (see appendix) emphasises the role of governing bodies in ensuring that pupils with medical conditions are able to fully access education in the same way as other pupils. A key element of this responsibility is reducing the amount of time missed by these pupils, whether their condition is short or long term.

School will work with parents and other relevant professionals to minimise absence for reasons of ill health. This may be in the form of specific support or resources used within school or by sourcing appropriate provision at another establishment. When education is to be provided at an alternative location, this should always be done via the use of a direction (please see section 6, below).

When a pupil has been absent from school for an extended period, the head teacher, the class teacher and other support services will work with the family to ensure that a smooth reintegration is achieved.

### **5.4 Pupils refusing to attend school**

At Applebee Wood School, we believe that every child has a right to a full-time education, and we would not accept "school refusal" as a reason for non-attendance. In such cases, we will work with parents to identify the reasons why a child may be reluctant to attend school. We may request support from external partners such as the Children and Family Wellbeing Service, Primary Mental Health Workers, etc, as appropriate to try to ensure the correct support is secured for the child and their family.

### **5.5 Use of penalty notices**

In accordance with the Lancashire code of conduct, we may request that the local authority issue penalty notices for unauthorised absence. This includes:

- Leave of absence which is taken without a prior request being made.
- Leave taken after a request has been declined.
- Days taken in excess of an agreed period of leave, without good reason.
- Other unauthorised absence that meets the required threshold, including sessions marked as late after the register has closed (code U).

The code of conduct for penalty notices, including information and FAQs for parents, can be found on the Lancashire County Council education penalty notice webpage.

## **Appendix: School attendance and the law**

There are many pieces of legislation and government regulations and guidance that are relevant to school attendance and to children and their parents and carers. The list below relates to this policy but is not exhaustive.

## **Parents and carers**

### **Government expectations**

The Department for Education's School attendance guidance states that the government expects:

- *Parents to perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly.*
- *All pupils to be punctual to their lessons.*

### **Duty to ensure children receive education**

Section 7 of the Education Act 1996 covers the duty of parents to secure the education of children in their care who are of compulsory school age and states:

*The parent of every child of compulsory school age shall cause him to receive efficient full-time education suitable—*

- (a) to his age, ability and aptitude, and*
- (b) to any special educational needs he may have, either by regular attendance at school or otherwise.*

### **Offence if a child does not attend regularly**

Under Section 444 of the Education Act 1996, if a child of compulsory school age who is a registered pupil at a school fails to attend regularly, their parent is guilty of an offence.

The offence is absolute as the only defences available to the parent are those statutory defences listed within that section of the Act, ie:

- the child was absent with leave granted by the school;
- the child was prevented from attending by reason of sickness or any unavoidable cause;
- absence was on a day exclusively set apart for religious observance by the religious body to which their parent belongs;
- that the school is not within statutory walking distance and that the local education authority has made no suitable transport arrangements or enabled the pupil to become registered at an alternative nearer school.

### **Compulsory school age**

Section 8 of the Education Act 1996 establishes that a child becomes of compulsory school age on the start date of the term following her/his fifth birthday, or that day if her/his fifth birthday falls on the day term starts.

A child ceases to be of compulsory school age on the last Friday in June in the academic year in which he/she reaches the age of 16 or if he/she reaches 16 after the last Friday in June but before the start of the new school year.

## Legal definition of "parent" in relation to attendance

The law requires that all "parents" are held responsible for their child's attendance. This definition can include any person who has care of the child. Section 576 of the Education Act 1996 states:

*Meaning of "parent".*

*(1) In this Act, unless the context otherwise requires, "parent", in relation to a child or young person, includes any person—*

- (a) who is not a parent of his but who has parental responsibility for him, or*
- (b) who has care of him.*

Thus, the definition of "parent" means all natural parents, whether they are married or not, and includes any person who, although not a natural parent, has parental responsibility and/or care for a child or young person.

## Schools

### Attendance and absence registration codes

School attendance: Guidance for maintained schools, academies, independent schools and local authorities, DfE, regularly updated

This guidance also states that the government expects *schools and local authorities* to:

- *Promote good attendance and reduce absence, including persistent absence;*
- *Ensure every pupil has access to full-time education to which they are entitled; and,*
- *act early to address patterns of absence.*

### Data protection

Schools must ensure that personal data is handled in accordance with the Data Protection Act 2018. See Applebee Wood School's Privacy Notice for information about how personal data will be used.
