This Week...

Attendance Matters

The winning classes for attendance this week is: **Rashford with 99 %**

Well done to everyone!

Star of the week

Jayden, for being kind to a younger pupil when they needed support and help.

Thank you Jayden.

Wilson Class

Some pupils from Wilson Class went to Sainsbury's on Tuesday to shop for the ingredients they needed to make pizza! Pupils were using what they have learned about money in Maths and PSD lessons. All pupils represented the school brilliantly and had great fun using their own ingredients to make the pizzas on Wednesday!

Watch this space next week as the rest of Wilson Class will be going shopping for more exciting ingredients!

Attendance

We continue to monitor attendance and we are identifying persistent absentees.

A persistent absentee is any child whose attendance has fallen below 90%. We know that poor attendance has a detrimental impact on education and we will continue to work with our families to improve this.

You will notice that there is now an attendance section on our website where we will be posting weekly attendance data for each class.

Comic Relief

Bank Transfer has changed to One-click payments

Please notify your parents, and encourage them to use One-click payments if they aren't already

Bank Transfer has been renamed One-click payments

To make our payment options easier to understand, we've updated the name of ParentPay Bank Transfer.

Some of your parents may already be using this functionality, so please let them know that those already using this feature won't need to do anything – just look out for our new One-click payments button as it has replaced the Bank Transfer button at checkout.

It's likely that there are parents at your school who aren't taking advantage of this functionality yet. One-click payments is designed to save parents time at checkout, so recommending it to them can help them get the best out of ParentPay.

We've created some [handy guidance](#) to make sure it's as simple as possible to set up, so please feel free to share this with your parents.

Free School Meal Information

Universal Free School Meals Versus Free School Meal Eligibility

Universal infant free school meals (**UIFSM**) are available to all pupils in reception, year 1 and year 2. Funding is provided to the school directly, and is used by the school to provide free school meals to infants at UK schools.

Free School Meals (**FSM**), on the other hand is financial support provided to children of families who fall under certain qualifying criteria. These criteria, and more information can be found below and on the Lancashire County Council Website, at:

https://lancashire-self.achieveservice.com/service/Free_school_meals_and_pupil_premium

While parents may not need to apply for FSM for their child if the child is still young enough to receive UIFSM, it is still important to tell the local authority if your family falls under any of the qualifying criteria. This is because if you don't do so, you will not be able to receive free school meal vouchers over the summer, or in the event of school closures. Additionally, schools only receive pupil premium funding for every child registered for FSM.

Free School Meal Eligibility

Your child may be able to get free school meals if you get any of the following:

- Universal Credit with a household income of less than £7,400 a year (after tax and not including any benefits you get)
 - Income-Based Jobseekers' Allowance
 - Income-Related Employment and Support Allowance
 - Child Tax Credit, **not** entitled to Working Tax Credit and household income less than £16,190
 - Support under part VI of the Immigration and Asylum Act 1999
 - Guarantee element of State Pension Credit
 - Income Support
 - Working Tax Credit 'run on' – the payment you receive for a further four weeks after you finish work
- If your child is currently eligible for free school meals, that eligibility will be protected until Universal Credit is introduced (expected March 2022) even if your circumstances change. If your child is still in education on this date, they will be eligible until they finish the phase of schooling (primary or secondary) they are in.

If you have a younger child starting school in September and you are no longer eligible, they will not be protected because this would be a new claim.

A Parent's Guide to Fake News

IT'S ON THE INTERNET SO IT MUST BE TRUE!

Don't believe everything you see online!
Young people can very easily be dragged into things without parental guidance and support.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.
