Bikeability

Year 5 had a tremendous few days this week with instructors from the West Lancs Sports Partnership taking part in Bikeability training.

As well as sessions on the playground, they learnt about bike maintenance and checking they are ready and safe to ride, before undertaking sessions with the instructors on local roads to test out their new skills!

Bikeability is offered each year to our Year 5 children! Year 4 are already excited to take part next year, so plenty of time to hone their skills before heading out on the road!

Extra-curricular Clubs Info

Letters/reply slips for extra-curricular clubs were sent out earlier this week. Football clubs start next week, with other school-run clubs starting after half-term.

If you don't hear from us, your child has a place in the chosen club… we will only contact you, if their chosen club is full and they have been placed on a waiting list.

Nasal Flu Immunisations

The school nurses will be in on Monday 14th September at 9.30am to deliver flu immunisations to children with a completed consent form.

Parents' Information Evening: Monday 5th October

This year, for our first parents' evening of the year, we will be running a 'Parents' Information Evening' where the class teachers will be able to share most information and updates for the coming year with all parents together in your child's classroom.

There will, of course, be the opportunity to stay behind and speak with the class teacher if you would like to ask anything specific concerning your child, or they can be contacted via Class Dojo.

Session times (no need to book!):

- 6pm-6.30pm: Reception, Y4 & Y5
- 6.30pm: Y1, Y2, Y3 and Y6

There are a few families with multiple children where sessions may clash, but we will contact you separately to share the required info, as necessary.
