## Well Done Year 6! SATs week and Play in a Day

A HUGE well done to all our Year 6 children! They have well and truly blown us away this week with their excellent attitude towards SATs... they have smashed them! We are all very proud of you!

As a special treat, they have spent Friday creating a 'Play in a Day' based around Titanic which they performed in front of the rest of the school and Y6 parents this afternoon. It was fantastic!

Super Year 6!

## Sports Day: Friday 22nd May

Gates will open at 1pm, with the races starting at 1.30pm.

Please ensure that your child brings a sun hat and water bottle, with sunscreen applied.

DJ Danny will be hosting and the Friends will have a selection of refreshments available.

Those children who have someone spectating at the event will be able to leave with them after the final race and presentations.

## Walk to school week: 18th-22nd May

Next week, we're celebrating cleaner air, safer streets and healthier children for Walk to School Week by [@LivingStreets](https://www.livingstreets.org.uk/). We can't wait to see what our pupils discover on this five-day challenge!

Daily stickers and an extra special reward are up for grabs at the end of the week for those who travelled actively every day (walking, scooting, cycling or Park and Stride)

## Celebration Assembly: Monday 18th May, 9am

**Fishy Sticker Sundays** are a half-termly service in All Saints Church 10.30am-11.30am where the children will have their own jobs to help run the service. There'll be stickers for each child to collect and prizes at the end of the year. The children begin in the service at 10.30am with their parent(s), then go out for special activities in Church4Kids, returning in time for Communion. ## KS2 Cross Country Competition

18 children from KS2 competed in the West Lancs Sports Partnership's Cross-Country competition on Wednesday at Lathom High. Our runners performed superbly in tricky conditions and came away with an impressive medal haul! Well done everyone for your outstanding determination and perseverance!

## Food for Life: Tip of the week

Learning to use a spoon, fork and knife is a skill and, like all skills, it takes practice.

Learning to eat with cutlery is tricky, so try to be patient, give them plenty of time and opportunity to practise. They'll get there in the end!
