PEARL OF AFRICA FUNDRAISING :

The children had a great afternoon spent with members of the Pearl of Africa choir, who lead workshops with lots of singing, dancing and drumming. Thank you to everyone who came into school at the end of the day and purchased items from the choir's stall. The money collected by the children from undertaking chores totalled just over £300 when it all came in. Thank you for your support.

PROUD ALUMNI!

We are always delighted to hear how well our former pupils are doing.

We recently heard that William N and Erin, from last years Year 6, were voted by their peers to be Year 7 representatives at Shevington High.

Also, the current Head Boy and Head Girl at Bishop Rawstorne, William and Lucia are also ex-pupils.

We wish them all the best of luck in their roles.

CELEBRATION ASSEMBLY:

Everyone is invited to join us for our Celebration Assembly, held on Mondays at 9am.

Stars of the week will be presented and we'll celebrate those with birthdays, plus any achievements the children want to share.

BLACKBURN CATHEDRAL: THE EARTH

A group of Y4s were lucky enough to attend a Cidari children's conference at Blackburn cathedral this week.

They worked with children from other academies to think about 'insurmountable giants', including plastic pollution and drought.

Lots of practical opportunities to work together and look at a huge model of the earth!

A brilliant experience for everyone.

The huge earth model will be in Blackburn cathedral over half term. It is well worth a visit if you have chance. In the Temple Gallery, the Prayer Stations which the children made at the pupil conference, will also be on display. For some amazing facts about the Earth, and some fun activities, have a look at the worksheet sent home via dojo.

RIGHTSTART:

Year 2 finished their final session of pedestrian training this week. Thank you to those parents who were able to help with the delivery of the programme. These lessons need reinforcement from parents when the children are out about, things such as waiting for the green man at crossings. Children copy what their adults do.
