9 JANUARY 2026

With FAITH, we learn. With LOVE, we grow. With HOPE, we shine.

HAPPY NEW YEAR!

We hope everyone had a lovely Christmas, all refreshed for the new year!

VILLAGE HALL PARKING:

We have been asked by Councillor Katie Jukes, to remind users of the village hall car park to be mindful of the fact that this car park is not gritted at all and that in icy weather greater care should be taken.

Can we also remind parents coming onto the playground during icy conditions that some areas will not have gritted so they should be vigilant in ensuring the children take care coming into school. In the continuing absence of a site supervisor, some areas may not get treated as widely.

CLUBS: Spring 1 clubs start next week:

KS1 Science is now full - any late applications will be put on a waiting list and you will be contacted.

World Heroes - this club is open to those children who are the World Hero representatives in their class. They are encouraged to attend the club, as they will be working on an assembly that they will be leading in the run up to Easter.

MEDITRACKER:

In order to synchronise our records of first aid applied and medication dispensed we have now introduced electronic software.

Instead of paper first aid records/bumped head letters going astray between school and home, you will now receive an email outlining the details of the injury and the treatment undertaken.

Please be assured that should we feel the need, parents will still be contacted directly for more serious injuries.

COMPETITION: REDESIGN THE SCHOOL BADGE

Don't forget the competition we have launched a competition for the children to have a go at redesigning the school badge.

We are looking for something that reflects our school and what we stand for.

The closing date for entries is January 19th.

Entries are encouraged from all year groups.

GREAT NEWS!

We are delighted to announce that our school was been awarded the Lancashire Step Outside EYFS Award for our Early Years setting.

Accreditation entails visits from assessors, and lots of work by the EYFS team; lead by Mrs Bullen-Hales with Mrs Green and the TAs.

The award acknowledges work undertaken to enhance the quality of teaching and learning in the outdoors and to raise outcomes for all children with particular reference to outdoor provision.

We're sure you'll agree that our Reception class has access to some wonderful outdoor provision and the children thrive in their environment.

CELEBRATION ASSEMBLY:

Everyone is invited to join us for our Celebration Assembly, held on Mondays at 9am.

Stars of the week will be presented and we'll celebrate those with birthdays, plus any achievements the children want to share.
