Luke 16:1-13 The Parable of the Shrewd Manager

Jesus told his disciples: “There was a rich man whose manager was accused of wasting his possessions. ² So he called him in and asked him, ‘What is this I hear about you? Give an account of your management, because you cannot be manager any longer.’

³ “The manager said to himself, ‘What shall I do now? My master is taking away my job. I’m not strong enough to dig, and I’m ashamed to beg—⁴ I know what I’ll do so that, when I lose my job here, people will welcome me into their houses.’

⁵ “So he called in each one of his master’s debtors. He asked the first, ‘How much do you owe my master?’ ⁶ “ ‘Nine hundred gallons of olive oil,’ he replied. “The manager told him, ‘Take your bill, sit down quickly, and make it four hundred and fifty.’ ⁷ “Then he asked the second, ‘And how much do you owe?’ “ ‘A thousand bushels of wheat,’ he replied. “He told him, ‘Take your bill and make it eight hundred.’

⁸ “The master commended the dishonest manager because he had acted shrewdly. For the people of this world are more shrewd in dealing with their own kind than are the people of the light. ⁹ I tell you, use worldly wealth to gain friends for yourselves, so that when it is gone, you will be welcomed into eternal dwellings.

¹⁰ “Whoever can be trusted with very little can also be trusted with much, and whoever is dishonest with very little will also be dishonest with much. ¹¹ So if you have not been trustworthy in handling worldly wealth, who will trust you with true riches? ¹² And if you have not been trustworthy with someone else’s property, who will give you property of your own?

¹³ “No one can serve two masters. Either you will hate the one and love the other, or you will be devoted to the one and despise the other. You cannot serve both God and money.”

Message from Mr Catlow

It is with the deepest sadness that we learned the news of the passing of one of our Year 8 pupils, on Monday morning. Our thoughts and prayers are with the family, friends, and all who knew and loved her.

The loss of a young life is felt deeply across our entire school community. In times like these, it is important that we support one another. We have a strong pastoral team and chaplaincy in place, supported by our local clergy, to help pupils and staff as they process this difficult news.

Our thoughts and prayers remain firmly with the family at this incredibly difficult time.

Jeans for Genes Day 2025

This week, we have been supporting 'Jeans for Genes Day'. It is the annual fundraising campaign for the genetic conditions community that supports people affected by a genetic condition. The monies raised on Jeans for Genes Day provide grants for day-to-day support, equipment, respite and events which bring together affected children and their families. There are between 4,000 and 6,000 diagnosed genetic conditions. It is estimated that one in 25 children is affected by a genetic condition and therefore 30,000 babies and children are newly diagnosed every year.

On Tuesday 16th September the science department ran sessions throughout the day with all year groups to raise awareness, and support pupils' personal development. Activities that were enjoyed by pupils included:

- Year 7 - Extracting DNA from kiwis
- Year 8 - Ethics in Genetics
- Year 9 - Inheritance
- Year 10 - Vaccines
- Year 11 - In the News

You can also contribute to this cause online via our Just Giving Page by scanning the QR code below.

Archbishop Temple Pupil Council Update

The Pupil Council are busy working behind the scenes. Another successful meeting this week, where our members began talking about ways in which we can celebrate the wonderful variety of cultures and traditions we have in school. We are so fortunate to have such a diverse pupil body, and the Pupil council are keen to think of ways in which we can celebrate this.

If any pupil would like to share more about their culture and traditions, we would love to see them at our next meeting, where we can discuss with them the plans we have! Please encourage your child to come and see us, so we can celebrate and learn about one another.

Reminder - Pupil Council meets every **Thursday** at lunchtime in Room 15.

Winston's Wish have launched a brand-new text and WhatsApp bereavement support service, and they wanted you to be the first to know about it.

“As you know, children and young people can already instantly speak to a Winston's Wish bereavement specialist by phone, email or live chat. Now they will be able to start a conversation by text or WhatsApp. We hope this will make our instant bereavement support service more accessible and allow us to reach more children and young people than ever before.

This is grief support in your pocket. Grief support on the bus, in your bedroom, between messages to your mates. A text service that allows grieving children and young people to get the support they need wherever they need it, right from their phones.

No waiting lists, no need to book appointments, no need to work up the courage to call or keep a live chat conversation open. Just send us a text or WhatsApp message and speak directly to a bereavement specialist who will pick up the conversation no matter where you left off.”

All year 9s have been set a World War One research project for this half-term on Trench Warfare during World War One.

We will be submitting the best projects to the Historical Association for their Young Historian Awards 2026 for the World War One Prize.

Each year the Historical Association in collaboration with the [Spirit of Normandy Trust](#) organises a series of awards for outstanding history scholarship. The subject categories cover local history, the modern world and especially aspects of 20th-century history. These awards and the partnership of over 25 years hope to encourage and produce the historians of the future as well as engaging young people with meaningful historical questions and issues of local interest.
