Luke 16:19-31 - The Rich Man and Lazarus

19 "There was a rich man who was dressed in purple and fine linen and lived in luxury every day. 20 At his gate was laid a beggar named Lazarus, covered with sores 21 and longing to eat what fell from the rich man's table. Even the dogs came and licked his sores.

22 "The time came when the beggar died and the angels carried him to Abraham's side. The rich man also died and was buried. 23 In Hades, where he was in torment, he looked up and saw Abraham far away, with Lazarus by his side. 24 So he called to him, 'Father Abraham, have pity on me and send Lazarus to dip the tip of his finger in water and cool my tongue, because I am in agony in this fire.'

25 "But Abraham replied, 'Son, remember that in your lifetime you received your good things, while Lazarus received bad things, but now he is comforted here and you are in agony. 26 And besides all this, between us and you a great chasm has been set in place, so that those who want to go from here to you cannot, nor can anyone cross over from there to us.'

27 "He answered, 'Then I beg you, father, send Lazarus to my family, 28 for I have five brothers. Let him warn them, so that they will not also come to this place of torment.'

29 "Abraham replied, 'They have Moses and the Prophets; let them listen to them.' 30 "'No, father Abraham,' he said, 'but if someone from the dead goes to them, they will repent.' 31 "He said to him, 'If they do not listen to Moses and the Prophets, they will not be convinced even if someone rises from the dead.'"

Message from Mr Catlow

The Emerging Concern of Snus and Nicotine Pouches

I want to raise awareness of snus and nicotine pouches, which are increasingly visible across the country. These are small, discreet sachets placed under the lip, releasing nicotine without smoke or vapour. While they may look harmless or be seemingly "cleaner" than smoking, they carry high nicotine levels and can lead to addiction, increased heart rate, nausea, and other health impacts. Because they don't produce smoke, they can also be harder to spot.

Whilst I have not had to deal with this at Archbishop Temple, I am aware it is an emerging trend across young people nationally and an emerging issue in some schools, I thought it responsible then to share this so we are all well-informed, believing prevention is better for our children than an untimely reaction. There is a lot of further information you can find online by searching 'snus - a guide for parents'.

Snus and similar products are **banned** items in school. Possession or use will be considered a serious breach of our behaviour policy, and could lead to suspension or exclusion.

Thank you for your cooperation. Together, we can help young people make wise and healthy choices

Common GUM symptoms of snus use include:

Redness or Swelling Gums may appear red, have white patches, look puffy, or inflamed, especially around areas where pouches are frequently placed.

Bleeding Gums Bleeding during brushing or flossing could indicate irritation or early stages of gum disease.

Gum Recession Teeth may look longer or feel more sensitive due to exposed roots caused by receding gums.

Persistent Soreness or Pain use of pouches can lead to tenderness or pain in the affected areas.

Changes in Gum Texture Gums may feel uneven, thinner, or less firm than usual.

Lost Property

We have a large number of items in our lost property box at the School Reception including water bottles and coats.

Unfortunately, because the items are not named this makes it very difficult to return the items to the pupils. Despite form tutors telling pupils to come and look if their belongings are here, they are still not being claimed. Please ensure all items are labelled with your child's name.

If your child is missing any of their belongings, please encourage them to check at reception. Any items that remain unclaimed by next **Friday (2/10/25)** will be donated to charity.

We will keep ALL lost property for **2 weeks** and after that the un-named items will be donated to charity.

A reminder that **school will finish early at 12.30pm, on Thursday 9th October 2025** to allow staff to prepare for our annual Open Evening, which will run from 4pm-7pm.

Please note that school buses will run as normal in the morning and will be scheduled to collect pupils early from school at 12:30pm, so that there is no disruption to travel arrangements.

All pupils will be expected to leave school at 12.30pm. Those who are helping with Open Evening should return to school at 3:30pm in full school uniform. Unfortunately, any pupil not in full uniform will not be able to take part in supporting the evening.

Arrangements should be made by parents/carers to collect pupils by 7pm.

Attendance Matters

At Archbishop Temple, we are committed to excellent attendance and punctuality. Government guidance is clear: parents and schools share responsibility for ensuring every child attends regularly and on time. Good attendance supports learning, builds routines, and develops resilience for life beyond school.

To celebrate this, we run a weekly reward system. Pupils with 100% attendance or punctuality are awarded Light Points and entered into our raffle. Genuine medical absences are taken into account to keep the system fair.

At the end of each half term, raffle entries are combined for a grand prize draw, with vouchers to be won. This reflects our shared commitment—school, parents, and pupils working together—to give every child the best chance to succeed.
